

You can never catch a unicorn!
They just can't be caught!

If you're lucky, you could ride one.
Well . . . if you're lucky, I guess you could ride one.
But you'll have to find one first, and that's not so easy!

Unicorns are shy, that's why you don't see them very often.
And unicorns like to hide . . .

They hide in forests . . .

behind waterfalls . . .
