

On the last day of October, we celebrate Halloween. It's the spookiest holiday. Will real ghosts show up? Of course not! They don't exist! But dressing up as a ghost, witch, or vampire is a lot of fun. Boooo!

On Halloween, Daddy empties out a pumpkin using a spoon.
He carves out eyes, a nose, and a mouth. With a candle
burning inside, the pumpkin's head looks a little creepy
in the dark! But the candlelight is also very cozy.
