

Little tadpole, little tadpole,  
grow,  
grow,  
grow!

A vibrant illustration of a green frog with large, white eyes and black pupils, captured mid-jump over a bright green lily pad. The frog's body is a textured green, and its limbs are extended in a dynamic pose. The background is a light blue sky filled with soft, white, fluffy clouds. In the foreground, several long, slender green blades of grass or reeds are visible. Small, light blue bubbles or droplets are scattered around the frog, suggesting movement or water. The overall style is whimsical and child-friendly.
