

**This is Little Panda.**

The sun wakes him up every morning.  
Little Panda immediately runs up the hill,  
and then—hop, tumble, and roll—he's back down again.  
Little Panda loves to play. He also loves to explore.  
Look at the birds! And the cute little frog!

**This is Big Panda.**

He sees and hears everything, even quiet butterflies.

He knows Little Panda is up with the sun.
