

It's a nice afternoon.
Everyone is busy.
Turtle and Cat are playing cards.
Rabbit is doing yoga.
Bird is singing a new song,
and Mouse is learning to skate.
And Piggy? He's painting.

Piggy has entered a contest.
He's trying his very best.
"How lovely!" says Turtle.
"What a beautiful painting!" chirps Bird.
"Wow! You're a true artist!" purrs Cat.
"Thank you," says Piggy.
"I'm quite pleased with it."
Just then, Mouse skates by.
He turns to look at the painting, and uh-oh!
