It was my first raid.
My sword slashed through flesh.
My axe hacked through bone.
Now I was a Viking warrior.

VIKING

The Story of a Raider

They came from the wild, icy north of Europe.

Their ships were sleek and fast.

They came in search of wealth and slaves.

In the 800s, people in Britain, Ireland and other parts of Europe lived in fear.

The raiders from the north could attack at any time.

The attackers showed no mercy.

They had no fear.

They were...

the Vikings.
