Tody's Extraordinary Adventure!

Exploring, socializing and seeing new places are some of the utmost important activities to do for a happy healthy child's development. We all want our little ones to experience beautiful social bonds, to be able to have an open mind and a better understanding which will enhance their sensitivity, tolerance, respect and their self-esteem.

It is so important for them to feel comfortable relating to new encounters and changes, knowing how to react with confidence.

This book is intended to boost a good sense of adventure and therefore, they would develop their assertiveness and their social skills too.

From the bottom of my heart, I wish that you and your little ones will truly enjoy this book and its wonderful pictures and rhymes.
