ZWARTJES & LABOVIĆ

This book is printed on extra thick, high-quality paper.
You can get started with pencils, crayons, pastels, or markers.
Please note that markers (especially water-based ones) can bleed
through. Therefore, place the back cover of the book under your
coloring page. Have fun!

Dit boek is gedrukt op extra dik papier van goede kwaliteit.
Je kunt aan de slag met potloden, krijt, pastel of stiften. Let wel,
stiften (zeker op waterbasis) kunnen doordrukken. Leg daarom de
achterflap van het boek onder je kleurplaat. Veel plezier!
