

3de kleuterklas

groep 2

5-6 jaar

Tellen van 1 tot 10

• met stickers •

Toppie!

Ken jij de volgorde van de cijfers van 1 tot en met 10 al?
Plak de ontbrekende cijfers in elk rijtje op.

Tel de rupsen in elke cirkel en plak er dan het juiste cijfer bij.

Geweldig!

Tel alle vormen in deze tekening. Plak bij elke vorm het juiste aantal. Zorg dat je geen enkele vorm vergeet. Er zijn grote en kleine, korte en lange vormen en ze hebben verschillende kleuren.

Knap van jou!

Kijk goed naar het getalbeeld en tel de bolletjes ervan.
Plak er de sticker bij met evenveel gekke vormen.
