bosmuis

A detailed illustration of a small brown mouse with large, dark eyes, perched on a thin, dark branch. The mouse is holding a small, light-colored nut in its paws. The background is a plain, light beige color.

A detailed illustration of a brown and white cat sitting on a light-colored, textured surface. To the right of the cat is a small, dark, winged creature, possibly a bat or a small dragon, with its wings spread. The cat has a white patch on its chest and a long, bushy tail. The background is a plain, light-colored surface.

A detailed illustration of a bat in flight, with its wings spread wide, showing the intricate structure of the wing membranes and the skeletal framework. The bat has a brown body and a small, dark face. It is positioned in the upper right quadrant of the page.

A detailed illustration of a Screech Owl perched on a branch. The owl has a white face with large, dark eyes and a small beak. Its body is covered in brown and white mottled feathers. The background is a plain, light brown color.
