

vriendjes tellen

An illustration of an underwater scene. On the left, a white fish with a yellow and orange gradient on its head and a pinkish-red blush on its cheek swims towards the right. Two blue bubbles trail behind it. On the right, an orange slug with two antennae and a white eye is positioned behind a large, dark grey rock. The background is dark blue, with green seaweed-like shapes and purple coral-like structures at the bottom. The text is in a simple, sans-serif font.

**‘En slakje heeft
twee voelsprietten.’**

**‘Je kunt alles tellen!’
zegt Klein wit visje.
‘Ik heb één staart.’**
