

Lief, klein konijntje,  
je bent al heel erg moe.

Kom maar in ons holletje  
en doe je oogjes toe.

An illustration on a dark background. A brown mouse with a white belly and a long, curled tail is perched on a green stem. The stem is part of a large, vibrant orange and yellow flower with a dark center. In the upper left, a large, bright yellow moon is partially visible. Several small, yellow, five-pointed stars are scattered across the dark background. In the lower foreground, there are stylized yellow and orange leaves or petals.

*Slimme, zachte slaapmuis,  
in het licht van de maan...*
