

Ik ben jouw
papa-dolfijn.
Jij maakt me
altijd blij.

An illustration of an underwater scene. A large, dark blue fish with a white crescent-shaped eye is on the right. The background is blue with wavy lines representing water. There are several small yellow fish with red fins swimming around. On the left, there is orange branching coral and green leafy plants. At the bottom, there are pink and purple coral-like structures. Two orange seahorses are visible on the left side. A large, irregular white shape in the center contains text.

Ik ben jouw
papa-dolfijn.
Jij maakt me
altijd blij.

Mijn liefde is zo groot,
die gaat nooit voorbij.
