

# YOUR DAILY MALE 2022

THE DAILY CALENDAR WITH 49 INTERNATIONAL ARTISTS AND 365 DAYS MALE-ART ©

## **Your Daily Male 2022: Elke dag een nieuwe man!**

Het jaar 2021 is een vreemd jaar geworden. Kunstbeurzen konden niet gehouden worden of alleen maar onder strikte voorwaarden in de laatste paar maanden van 2021. Verder werden veel contacten beperkt tot contacten online.

Elkaar aanraken, een hand geven, een hand op je schouder was lang niet mogelijk, maar het is iets wat de mens nodig heeft. Hands kunnen veel uitdrukken, je kunt er veel mee doen. Ook in de kunst spelen handen een belangrijke rol, om je penseel of potlood mee vast te houden of een beeld te boetseren. Ook wordt wel gezegd dat het tekenen, schilderen, boetseren van handen altijd als lastig wordt ervaren. Oordeel zelf, en geniet van weer 365 prachtige afbeeldingen in de kalender voor 2022.

## **Your Daily Male 2022: Every day a new man!**

The year 2021 has turned out to be a strange year. Art fairs could not be held or only under strict conditions in the last few months of 2021. Furthermore, many contacts were limited to contacts online.

Touching each other, giving a hand, a hand on your shoulder was not possible for a long time, but it is something that people need. Hands can express a lot, you can do a lot with them. Hands also play an important role in art, for holding your brush or pencil or for sculpting a sculpture. It is also said that drawing, painting, sculpting hands is always experienced as difficult. Judge for yourself, and enjoy another 365 beautiful images in the calendar for 2022.

Ivan Bubentcov | Rosapenis

WATERCOLOR TECHNIQUE ON THICK PAPER, 39 x 27 CM, 2021

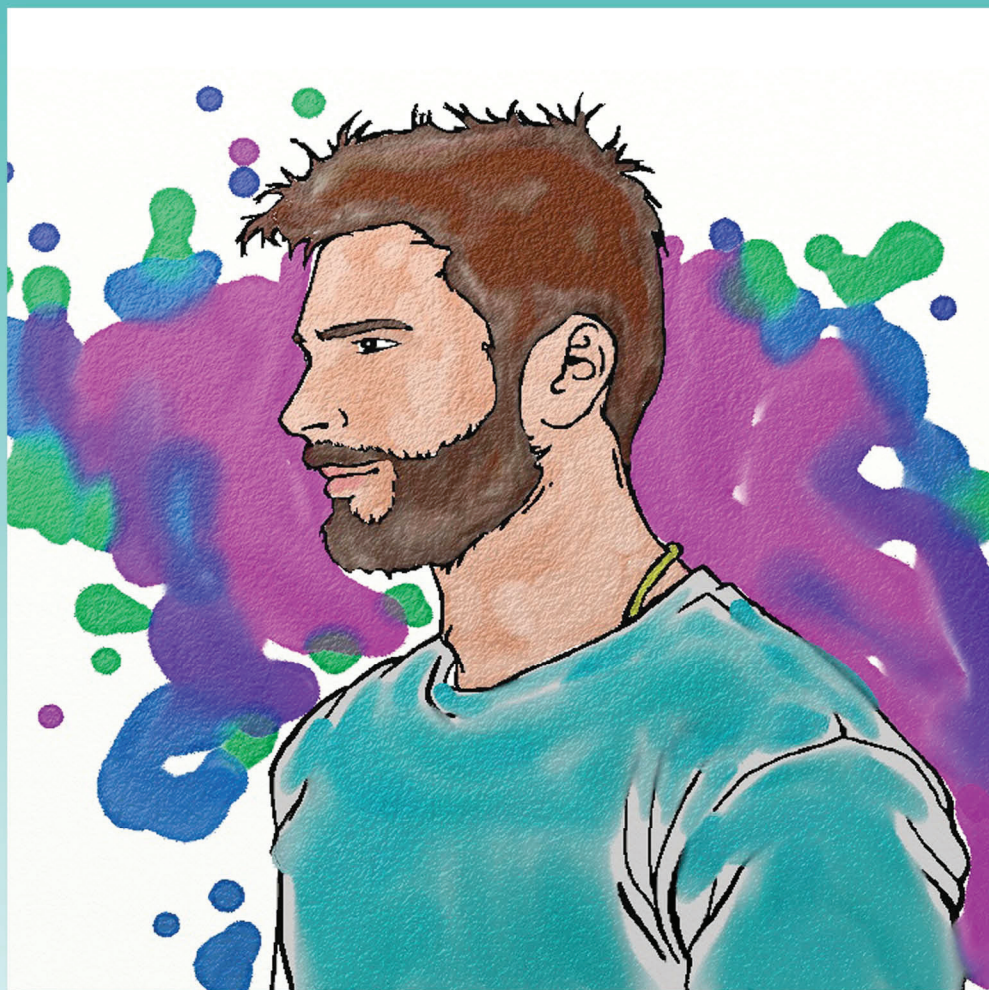

*This year is a wonderful summer, lots of flowers! I was delighted with the multicolor and began to paint them and make watercolors! And while drawing roses, I suddenly saw that they very much remind me of a penis not cut off in the center with a redder head, but along the edge of the petals like a foreskin! And that's how I painted them!*

Keith King | Fragments from a Gigantomachy 1

PENCIL ON PREPARED GESSOED BOARD, 73 x 54,8 CM, 2020

*These are works produced in response to COVID. The inspiration comes from the Altar of Zeus in Berlin, which shows a Gigantomachy (a battle between the Gods and the Giants), in particular the figure of a Giant being held by his hair. The works ended up as presentation drawings because of the restrictions of lockdown.*

Rob de Lange | Purple me

ACRYLIC ON DIBOND, 50 x 50 cm

*I paint, always. I couldn't live without it. Sometimes it's fun, sometimes it's a struggle. "Why am I doing this?" I sometimes wonder. Actually no idea. There is a tendency to capture something, a memory, an emotion or something you see. My biggest study in life is paint and what you can express with it. And further? Just look.*
