## FORWARD

Love is not a merchandise item to be purchased in the street. It is impossible to command and manipulate love without facing the consequences.

Instead of the human race to swim in the calm ocean of love to enjoy its pleasure, the human race is swimming in the stormy ocean of false love with 'evil-mindless' and egocentrics for agonies and miseries.

Love and sex is designed or created for the perfect unification of two souls. It is natural and a divine gift. It is the finishing touches of the Master of Creation to beautify love between man and woman for adventurous discovery of the sacred paradise on Earth.

Lack of awareness, we try to command and manipulate love and sex. This has transformed the sacred Love and sex to be a selling commodity to be purchased with wealth. The human race has replaced true love with the false love.

Nature is perfect in its Creations. And living contrary to Nature and its truth and dictates is nothing but, designing our path of suffering. Natural things create no miseries and agonies. The human race falls short to command God and its Creations. To command, manipulate, purchase Love with your ego's- mindless, the consequences cannot be overemphasized. How can you manipulate the power through which you were molded into physical existence without facing the consequences?

Lack of awareness you become enemy and stranger to yourself, alike, enemy to the human race, God and its Creations. This let us trespasses the freedom and liberty of our partner with whom we board the love sailing boat.

The by-products of marriages, love and sex relationships under the umbrella of unconditional love are; perfect peace, everlasting prosperity and the inheritance of the first Heaven

on the Earth. On the contrary, marriages, love and sex relationships under the umbrella of false love are the birth of our miseries and agonies. False love is ugly and hatred concealed in the cover cloth of love. Loving with or, on conditions is, the ‘mind’s-love---false love. Unconditional Love is, loving without conditions.

The human race falls short to distinguish between false love and unconditional Love. “This is the major cause in which many people find themselves married twice to the same kind of man and woman.” The human race is always in the repetition of agonies and miseries in the cycle of love and sex relationships. It is simply because; we are ignorant to the “root cause” of all these delinquencies of false love and sex relationships. It is mankind’s vulnerability to lust and desire of the flesh. The negativity capitalizes on these fundamental key points to enslave the entire human race.

Mankind is born free. Lack of awareness, he sells his freedom to be enslaved by negativity. In most mainly, as love and sex is inevitable, the negativity ceases this road of opportunity to steer mankind’s life for mass destruction.

This lovely inspiring book; “The Love Sailing Boat” throws enormous light of awareness to the “root cause” of mankind’s vulnerability in life, marriage, love and sex relationships. Without the knowledge of the “root-cause,” how are we going to find peaceful resolutions to all the scenarios of the delinquencies that lead to our miseries and agonies through the deceptions in false love?

My major preoccupation is to create awareness and to highlight the human race to be awakened from the dark world of fantasy with ego’s -mindless. The fundamental pillar of many of the love and sex relationships is based on the mind’s love. The mind falls short to unconditional Love. The mind promises much but delivers nothing.

Any love and sex relationship that has its cornerstone on reasons, logics, or simply a cause for our personal interest

are all categorized as false Love. Any building raised with inappropriate material for its foundation is meant to collapse. It can't withstand the deadly stormy wind.

This is the significations that, many delinquencies regardless to the deceptions in life, love and sex relationships are the attribute of the inappropriate foundation pillar by which the love and sex relation was built. The human race falls short to distinguish between unconditional love and the mind's Love. Any relationship that falls under the umbrella of false love is nothing but designing your own path of suffering.

Love and sex is the mystery power through which we are molded into physical existence naturally. It is impossible to manipulate such a mighty power without facing the consequences. These are the attribute to many scenarios of deceptions in many love and sex relationships and marriages from the existence of the human race.

Natural Love creates no miseries and agonies. True Love nourishes us with the bread of life, whilst, false love nourishes us with the bread of sorrows. If you want to live without deceptions in life, learn how to live. If you want to inherit the living paradise and the heaven instituted under the umbrella of marriage, love and sex relationships, learn how to love unconditionally, and you will always find pleasure in love. The Power of Love conquers all.

Peace and Love.

## INTRODUCTION

Life becomes beautiful; impossibilities can be possibilities when Nature smiles to us. And through which way can we attract Nature's smiles? It is to knock at the sacred door of the Power of unconditional Love. Love beautifies Life. The Power of Love is the ultimate source of Life Force. Without love, there will be no life.

Anything regardless of life, characters, human beings and our surroundings that attract our sight and instinct are through their connection with the Power of Love. On the contrary, anything that has no connections with the power of Love is ugly and awful. The Supreme Power of Love is the fundamental pillar of the entire Existence. The circle of life is driven by the Supreme Power of Love.

Any Creature that exempts itself from the sweet melodies and the language of love which serves as the universal language can be classified as a "Living Dead."

No Creature can deny or exempts itself from the power of Love. It is simply because, love is not something needed to be forced to acquire. Our existence; our Soul, Body are the by-product of the Supreme Power of Love. The entire Existence operates through the energy of the Supreme Power of Love.

We came into physical existence naturally through love and sex by our parents. Through the energy of love and sex we were born naturally. We live through the energy of love and sex. This is the signification that, love is not something needed to be forced to acquire. It is our nature. It is our birthrights. We possess it eternally.

To live with hatred by denying Love is to create a "Living Hell" for total destruction. Lack of awareness, the human race has ignorantly replaced true love with false love by negativity. This was the attribute to which transfigured and

transformed the Great Mother Earth as a perpetual paradise into a “Living Hell.”

To reclaim such a perpetual paradise as created by Nature to make the world a better place for you and I, and for the benefit of our future generation is through unconditional Love. True Love unites, whilst false love or hatred separates us. False love underwear is hatred in disguised. False Love crowns negativity as the chief commander in our Love Sailing Boat. Definitely, such a Love Sailing Boat driven by negativity is meant to be drowned in the middle of the deep blue sea.

Love is the Universal language accepted by all Souls without regards to race and color. Love goes beyond all borders. It can transform anything that crosses its path into light and life. The unconditional acceptance of a neighbor for mutual understanding and respect is through the power of Love.

Anything that has no connectedness to love is ugly. Ugliness is the twin brother of hatred. Hatred is division. Division, we fall apart. With misunderstanding and division, we simply invite the Devil to take the centre seat to govern our daily life both in normal life, marriages, and love and sex relationships.

Love unites us. And unity is strength.

To uphold the integrity of our matrimonies, a love and sex relationship to be successful is to let unconditional Love reign supreme in our life. Unconditional Love is the strength, amour and shield to defend all strange wars waged against our matrimonies, love and sex relationships by the elements of darkness.

Excuse me to say that, many readers may be curious to know the motive behind for dedicating my writings by highlighting and creating awareness on the subject of Love. It is simply because the majority of the Human races are ignorant of the power of Love. Instead of abiding by its natural course for its pleasure, we ignorantly try to mishandle love for our

miseries and agonies. We constantly talk about love. We are always expecting back the same charisma and love shown to others. But, in some scenarios, we are paid with an awful ordeal about the expression of love given to others. We have lost the quantitative measures of true love. Instead, false love is the language to which we are accustomed.

Looking at the perspective of the crucifixion of the “Messiah” as some religious sects advocate, we can underline that, the same people who praised him with love whilst performing miracles for their interest, were the same people who shouted on top of their voices demanding for the crucifixion of the same “Messiah.” Where was their Love?

It is quite simple. The “root cause” of their Love and praises for the Messiah was basically on a specific interest. And any love based on reasons, logics and personal interest is categorized as false love.

False love is skeptical. Any evil deed that comes on the surface eradicates all the goodness. People recognizes much more our negative side effect than our goodness because, there is no unconditional love. True Love crowns us with glory. False love looks for our short coming to confirm its hidden doubts.

The majority of the human race loves with their mind. They fall short to distinguish between loving with the Ego’s-mindless love and unconditional Love from the Heart.

Through persuasion by the authorities, the crowd easily forgot all the miracles and loving-kindness shown to them by the Messiah. Instead, the framework of the multitudes of lies orchestrated by the authorities overshadowed the goodness of the Messiah. This is the typical example of the attribute of false love.

Unconditional love’s twin brother is absolutely ‘Trust,’ whilst false love underwear or miniskirt is nothing but, doubts. The trust in this context means; no matter the dark clouds of the negativity that coincidentally overshadowed the

life to whomever you love and trust, definitely you stand by the side of your lover to assist for solution. Nothing of the condemnation or mistakenly short coming of your lover can turn your love into hatred. Whilst, the miniskirt of the hidden doubts of false love expresses itself intensively to confirm its disbelief.

It is very important for the human race to acquire broader knowledge about love. We can achieve great success through the power of Love. Love upgrades individual's life in the society and globally through sharing and spreading of good ideas. Hatred is nothing but fears, protectionism and counterproductive to economical growth.

Many atrocities are caused in the name of love. Nation fights against Nation for lack of understanding, unity and love. Religious wars, segregation, tribal wars, discrimination among the human race, categorizing and upgrading individuals as first class citizen and second class citizen, racial prejudices and etcetera are all protectionism. It is nothing but, fears. Fear is the absence of unconditional Love. These delinquencies are all the by-product of hatred which derives from false love, but hidden in the cover cloth of love. All these delinquencies will decline when the Power of true Love reigns supreme in the heart of the human race,

True Love sees no color nor categorized others as superior than others. True love turns deaf ears and blind eyes for our short comings. It crowns us with praises and glory. It goes beyond all borders for a perfect unification as one global village with one large unique family without regards to race or color.

It is only through the Power of unconditional love that can transformed the world into a better place for all. Love is the mysterious universal language that can transform individual heart to make the world a safer place.

We reap whatever that we sows. Both Loving with the mind and loving with the heart pay us back their dividends.

Whichever among the two that becomes your choice, you will surely and definitely enjoy the benefits of its dividends, The understanding of the Power of Love and its profound divinity eludes the human race. Through egocentrics, the human race ignorantly tries to manipulate the power of Love. Trying to manipulate the power through which you were molded into the physical world is nothing but a suicide mission. Instead of the human race to swim in the calm oceans of unconditional Love, through ignorance, the human race is swimming in the dirty gutters of false love. Through our vulnerability and lack of awareness, the negativity has cunningly stolen our unconditional love which is our birthrights and replaced it with false love. False love always misleads us to the endpoint of regrettable moments. We at last recognize our mistakes and false love when we are in pains through deceptions.

This inspiring book; “The Love Sailing Boat,” is meant to release the human race from our vulnerability to false love. It creates awareness. It highlights the “root- cause” of our miseries in life, marriage, love and sex relationships. Our failure or success in life depends on those with whom we surround ourselves. Let these lovely books; The Love Sailing Boat, The Wings of Love Volume. I &2 be your companion and you will always avoid certain mishaps in life, marriage, love and sex relationships.

We are born free, but lack of awareness, we consistently sell our freedom to the elements of darkness, and inevitably, ends in perpetual lovers spiritual jail without any possible exit.

Together, we fight to stay alive. And through which means can we cooperate to fight to stay alive? It is through the power of love. When the inhabitants of a nation unite with one love, one voice and one destiny, the power of the gun becomes powerless.

“Charity begins at home.” “To live in peace and harmony throughout the global village is through individual’s quantitative expressions of unconditional love to others. And once individuals found inner peace through unconditional love and acceptance to themselves, they can show gratitude to their lovers with charisma and unconditional love.

What is overflowing within our inner temple basically expresses itself publicly to others. When ones heart is overflowing with abundantly unconditional love, there is no room for hatred.

My major pride is to see that the human race avoid the repetitions of deceptions in life, marriage, love and sex relationships. My dedication to these subjects on love is to create awareness. Awareness is the golden key to self discovery and the Heavenly gate. Without awareness, you become stranger and enemy to yourself. You create problem not only for yourself, but to your partner as well.

When hatred takes the commanding seat in your relations through false love that was the cornerstone to your relationship, you can inevitable end up as a destructive monster. Self destruction and mass destruction are the consequences of false love.

A peaceful matrimonial home, life, love and sex relationships can only be achieved through unconditional Love. Individual’s achievement of peace and love carries its extension to the society and globally. Loving our neighbors, partners unconditionally has its connectedness to the Universe and the whole Existence.

With one love, one heart, one destiny in our love sailing boat, we will leave no breathing space for Mother Nature than to smile to us. And when Nature and the Life smites to us, all things are possible.

Love unconditionally, and you will always find pleasure in love. The power of Love conquers all.

## CHAPTER ONE

### **THE CAUSE AND EFFECT OF MANKIND'S MISERIES IN LIFE, MARRIAGE, LOVE AND SEX RELATIONSHIPS**

Lack of awareness, we constantly takes things for granted. We often hear that, "Life is nothing but, gambling." In the state of unawareness, we design our own path of suffering through the ego's manipulation. Most of our choices are been made through "day-time sleeping," the state of unawareness; and making choices in dreams tantamount to gambling.

Gambling has its disadvantages and advantages. The chances of winning in gambling are very slim. Millions of the world population engages in gambling in reality, but only few percent becomes the winners. Life is gambling for those who are lacking awareness. If you are enslaved by the Ego's dominant mind, you will be compelled to live in hallucinated life, as a day-dreamer. Your entire life will be equal to an Actor of a movie. Actors constantly perform different characters. in "movies."

We awaken all of a sudden from our nightmares in dreams. We discover that, nothing was real; it is the same situation when choices are made in the state of unawareness.

All the delinquencies of the scenarios of false conception of life, marriage, love and sex relationships are the attribute of the Ego's Mind manipulations and its dictates. It energizes us with spiritual chloroform's sleeping sickness. We inevitably become day-dreamers and hallucinated. It turns deaf ears and blindfolds us to Natures guidance and warnings. It enslaves us. It handcuffs us to be his prisoner surrounded with high walls without any possible exit.
