Wisdom is mankind's light, alike, guidance in turbulence situations and circumstances created by negativity and its captive agents.

Wisdom enables us to distinguish between good and evil. The unconditional acceptance of a neighbor for mutual understanding and respect that obviously creates heavenly environmental is driven by the power of love and wisdom.

We learn every moment in situations and circumstances that confront us daily to accumulate wisdom. Both good and bad people are great teachers to mankind.

Stiff necks are fools as we often hear from the sages. Fools do not recognize their ignorance. They are wisest in their own eyes and consider lacking nothing. They are boastful bragged.

They keep on disregarding and rejecting knowledge that relates to understanding of Nature

They do not know the language of respect and silence, alike; do not know how to distinguish between respect and fear. Lack of wisdom and knowledge, they keep on repeating the same mistakes of yesterday.

Their own stupidity finally chains them and thrown them into a chaotic spiritual jail. They constantly sell their freedom to negativity to be incarcerated

They are the category of people full of hallucination; day dreamers who build Great Castles in the air. They always need someone to bail them from their sins, misery and agony.

They rely on hope, eventually; hope fails them before given up to the ghost of death.

If you refuse to learn, in some scenarios, your ignorance misleads you to an awkward situation whereby, the only possibility to liberate yourself is to learn.

The sages know that, the wiser a person becomes the more silent he becomes. These sorts of men are very humble. They embrace people wisely and consider both good people and bad people who confront them as great teachers.

Whatever lesson begotten from people, either deceptions or joy, they evaluate the scenarios relating to the circumstances that led to the deception or joy, its purpose and reasons to learn from it in their closet. They always accept in silence whatever comes on their way as a lesson

Whatever they go through either deceptions or joy from people, they evaluate in their closet and decide for themselves, what can be their interest to accumulate wisdom. Opportunity knocks but once. Through uncaring selfish attitude, lack of patients and silence, we can miss an opportunity with a disguised overcoat seemingly worthless that may be the gateway to our success.

We can be masters of all fields through patience and silence. Learning with patience and silence is the process of experiencing life and its mysteries.

Silence and patience is the mystery key to discover yourself, alike to conquer the Ego's mind dictates. All the attitudes which relate to selfishness, stiff neck and idiosyncrasy, disregarding and ignoring knowledge, boastful bragged, not acknowledging our ignorance are all the attribute of the Ego's dominated mind.

If you conquer the mind, you can conquer the world around you. Patience and silence in closet is the mystery key to conquer the Ego's mind, alike the mystery key to discover yourself which is the most difficult sacred or mystery truth to be unveiled.

Discovering yourself, "your true self" is the key to freeing yourself from mental enslavement. It is the mystery key to

accumulate wisdom. It enables you to distinguish between the sacred truth that nourishes the soul with the bread of life and the false manmade ideologies and indoctrinations that eventually incarcerate mankind.

This precious book; 'Poems and Guides for the Journey of Life' is of much significant to mankind. It endows mankind with wisdom. It enables mankind to live in peace and harmoniously with Mother Nature and its Creations.

When Mother Nature embraces you with smiles, definitely, impossibility becomes possibility. If you want to live, learn how to live. Multiple problems are inevitable when mankind is lacking wisdom

## INTRODUCTION

I am here on Earth to dance to the rhythm of the Sacred Word of Nature which was the beginner of the entire Existence. I invite those innocent naturally blessed souls to dance with me; alike, to share with them sacred words meant for divine growth and eternity.

I am just a dancer to the rhythm of Nature. Those who embrace me with true love, and thirsty for the melodies of the sacred truth, I cherish them with the joy within the sacred words that nourish the Soul with the bread of life.

The Sacred melodies that open the mystery door of wisdom and understanding that enlightens mankind's inner temple with tremendous light and unconditional love that triggers the flaming fire within mankind's soul.

Though my words may be of great nourishment for the souls of the prudent and the sages, yet, I deserve no praises. All praises must be showered to the mighty one who created life for our existence. Do not accredit me with any human mind's title. Do not call me a Messiah.

Manmade titles are for those ordained men by religious sects. If I happen to appear in your dreams, do not take it into consideration of any importance.

By considering me beneath my dignity will let you adorn me as a savior. But, the word savior must be left to those preachers. To conceive an idea of Savior and the Messiah will deprive you from your spiritual growth. So never let me become a stumbling block to your spiritual growth. Do not remain on the bridge. Just pursue your divine growth to your noblest destiny.

I am nothing. I am just a person like you. I am just here on earth to fulfill my divine mission. And after my work is over,

I vanish like a splash of the sand in the midst of a stormy wind.

Though, I may be gone, but my words left behind will be a burning fire and light in the hearts of natural men and the future generations.

This will lead them to discover their true identity in divinity. Even so, I counsel you not to shower praises to me in order not to be a hindrance to your spiritual growth.

Just put your trust in the Master of Creation. He is the most gracious and the merciful father of all, whose loving-kindness endures forever. There are no records of failure to those innocent souls who put their trust in him.

Let his countless of light be your shield and amour. This will enable you to be a conqueror, and to be remembered by the great Mother Earth as a divine hero. Who descended down, saw, fought and conquered.

This will let your shadow left behind serves as a burning light in the hearts of the future generations; alike, enable you to give great accountability to the great father after leaving this physical world.

Blessed are those who are not spiritually blind and deaf, capable of distinguishing between good and evil, sacred truth and manmade ideologies that is hidden within the coat of truth, for they shall be liberated from mental enslavement.

Amen-Amen. Amen

There is a difference between freedom and enslavement. There is a difference between the captive and the conqueror. There is a difference between the citizen and the king. There is a difference between cries of disappointments and smiles of victory. There is a difference between darkness and light. And who among the living men will like to be held in bondage forever? For, once tasted freedom and knowing the value of freedom, you will abhor to be held in captive and in bondage again. Presumably, only fools, cowards, the lazy souls and the daydreamers will like to be held in bondage forever. It is simply because; they do not know the value of freedom. Alike, lacking the understanding of failure and success.

Wise men know that, man must be held once in bondage in life time, but not always. They dare not even paying with their life to attain freedom not for their selfish interest, but total liberation for their entire generations.

Once tasted the ultimate freedom under the Universal light, you will definitely abhor darkness.

Man's ultimate goal and priority should be the attainment of a great inner light and wisdom. Walking in the sunshine, you will always feel good. That is absolutely freedom. Everything is visible within the Great Universal light. There is no hiding place in the sunshine. Within the mighty Universal light, there is life, freedom and eternity.

Mankind needs wisdom to attain these goals. Wise men's major pre-occupation and priority in life is to seek wisdom. Whilst, fools major pre-occupation is, for wants of materialism,

In some scenarios, their riches turn out to be a curse for their generation for lack of wisdom. Mankind should be preoccupied to seek wisdom, truth and light for totally liberation from negativity.

Liberation from negativity and mental enslavement enables you to be a dominant force of everything around you. This is the ultimate truth and the reality.

To be incarcerated by negativity tantamount to a ‘living-dead.’ And mankind must be held in captivity once in life time; but not perpetually.

And may the mighty power behind creation endow us with wisdom, light and unconditional love to discover ourselves to maintain our uniqueness, authenticity and the recognition of our inner world’s beauty to enable us dance permanently to the rhythm of the universal light. This will facilitate us to liberate ourselves to be conquerors.

It is simply because; darkness disappears in the presence of light. Light is the combatant force against darkness. The universal light and life are the by-products of the Supreme power of Love.

The power of love conquers all.

## THE KINGDOM OF GOD

Religious sects have being in existence from the prehistoric era. The genesis of their indoctrination and ideology seemingly to be the true path to the kingdom of God; as their clergy's advocate to their followers.

Unfortunately or fortunately their fruit spelt out vividly about their true nature. There are doubts of the truthfulness of some religious sects.

The devastating atrocities caused in the name of religion, hatred, division in combination of religious wars that we are still experiencing its by-products have raised a lot of questions than answers.

We know that, the attributes of religion or religiousness are; unity, understanding, respect and loving-kindness for perfect peace and everlasting prosperity for humanity without regards to race or color.

Now, we found ourselves in the confusion state of minds prior to hatred, division, abuses of innocent male genders by some nuts with the title of the anointed ones, religious wars, divorces by the so called righteous people bonding themselves with rings as security in marriages in the name of God, atrocities caused in the name of God and religion and etceteras;

Mr. K.Osei; is there any possibility to highlight us on these issues relating to religion, perhaps to facilitate us to choose the true religion that leads mankind into the Kingdom of God?

Again, what do I have to do to inherit the kingdom of God after death? A gentleman in his forties asked innocently.

It is an excellent and of course a wise question from the core of an innocent natural person who seeks perfect peace globally. And to facilitate you to choose the true religion that leads mankind into the kingdom of God; verily I say to you;

choose true love and live with your innocence. Let it be your authentic religion. It is imperative that, you would not be denied an entry into the kingdom of God.

The unique truth that binds mankind, creatures, creations, Heavens and the Master of Creation eternally and perpetually is the Power of Love and Innocence. These qualities are within everyone. It is our birthright. It is our origin source and true path that leads mankind into the kingdom of God.

This may perhaps sound strange and irrelevant in the ears of those lacking understanding in sacred issues, but it is the gospel truth and nothing, but the truth.

It has been said; in Creation, the Supreme Power of Love is the Origin or the beginning of everything in existence. And God is Love. This simple phrase said it all and obviously a profound significant to those enlightened natural people.

I took a great deal of time high lightening mankind of this subject in my book entitled; 'The Wings of Love Volume 2: The title of the subject itself is; "Understanding Love."

Everything in Creation operates under the energy of the Supreme Power of Love; alike, the Throne of the Master of Creation operates through the Supreme Power of Love. Why then worrying yourself, taking long and winding road, relying on ideologies that cover their doubted miniskirt with hope, faith and belief?

The power of Love conquers all. It is the Supreme power of Love that directs the entire Existence in Creation. Anything outside the territory of love is not acceptable by Mother Nature.

And, what is Love?

The Supreme Power of Love is the ultimate source of energy that binds existence in uniqueness for a perfect order. The Supreme Power of Love expresses the perfection and the perception of the mysterious phenomenon handiwork of the Supreme Being behind the Entire existence. The Supreme

power of love is the Ultimate source of limitless power and it is the origin of the life force. Love beautifies everything in Creation including life.

To get the in-depth details of this, it is recommendable to get a copy of my book entitle “The Wings of Love Volume 2.

Now we need straight forward issues; there are diversities of religion and their signification, alike their values on which such religious sects were built or founded. Religion can be anything at all that binds your heart to enslave you, whereby, much of your time will be spent on its dictates.

Religion is a Universal freedom for each and everyone. It is meant to discover ourselves for the recuperation of our innocence and the truth of the universe; alike to understand Mother Nature.

We need to choose a religion, live with it, grow with it and proceed to reach our ultimate goal in spiritually. And the ultimate goal is the recuperation of our innocent.

Obviously, it is a long and winding road of which much awareness is needed. It is simply because; you may fall short to identify the devil in the human form covering itself with white garment and the emblem of religion who may be your ‘Man of God.

True religion is to have a perfect relationship or connectedness with the Creator of all Creations. This links can be established only true the power of love. It is simply because, the Master of Creation establishes his mighty power on love. Mankind can connect to the Supreme love only through its innocent. Unconditional love is the cover-cloth of the innocent.

Some religious sect advocate, one can enter into the kingdom of God only, if he or she becomes like a child. A child is born purely innocent. And that innocent bewitching the child has nothing to do with an emblem of any religion. Innocent is mankind’s precious gift by which it enters into this world.
