Kling Klokje Klingelingeling

The image displays four musical staves, each with a vertical legend on the left. The legend consists of five colored boxes: A (blue), G (green), F (yellow), E (orange), and C (red). The staves are divided into four measures by vertical lines. The first two measures of each staff are shaded light blue. The notes are represented by colored rectangles and squares of varying lengths and positions on the staves. A large, faint watermark with the word 'DREAM' is visible across the background of the staves.

Kling klokje klingelingeling
Kling klokje kling
Kerstmis is gekomen
Lichtjes in de bomen
En in alle landen
Gaan de kaarsjes branden
Kling klokje klingelingeling
Kling klokje kling

Kling klokje klingelingeling
Kling klokje kling
Mooie sterren buiten
Stralen door de ruiten
En in alle talen
Horen wij verhalen
Kling klokje klingelingeling
Kling klokje kling

Karl Ensling 1854
Duits kerstlied

Gloria

A musical staff with four measures. The first and third measures are shaded. A vertical key on the left shows letters C, B, A, G, F, E, D in colored boxes. Notes are represented by colored rectangles: yellow, green, and red.

A musical staff with four measures. The first and third measures are shaded. A vertical key on the left shows letters C, B, A, G, F, E, D in colored boxes. Notes are represented by colored rectangles: green, blue, yellow, orange, and red. A double bar line is present in the fourth measure.

A musical staff with four measures. The first and third measures are shaded. A vertical key on the left shows letters C, B, A, G, F, E, D in colored boxes. Notes are represented by colored rectangles: red, orange, yellow, green, and red.

Vandaag is Kerst

Staff 1: A musical staff with a treble clef and a key signature of one flat (Bb). The staff contains a sequence of notes represented by colored squares: two orange squares on the bottom line, two dark blue squares on the second line, a teal square on the second space, a light green square on the second space, a yellow square on the second space, an orange square on the second space, a red square on the second space, an orange square on the second space, a yellow square on the second space, a light green square on the second space, a teal square on the second space, and a dark blue square on the second space. A vertical legend on the left lists the notes D, Bb, C, A, G, F, E, D from top to bottom.

Staff 2: A musical staff with a treble clef and a key signature of one flat (Bb). The staff contains a sequence of notes represented by colored squares: a dark blue square on the second line, a purple square with a flat symbol (b) on the second line, a teal square on the second space, a dark blue square on the second space, a purple square with a flat symbol (b) on the second space, a red square on the second space, an orange square on the second space, a dark blue square on the second space, a teal square on the second space, a light green square on the second space, an orange square on the bottom line, a yellow square on the bottom line, a light green square on the bottom line, and a teal square on the bottom line. A vertical legend on the left lists the notes D, Bb, C, A, G, F, E, D from top to bottom.

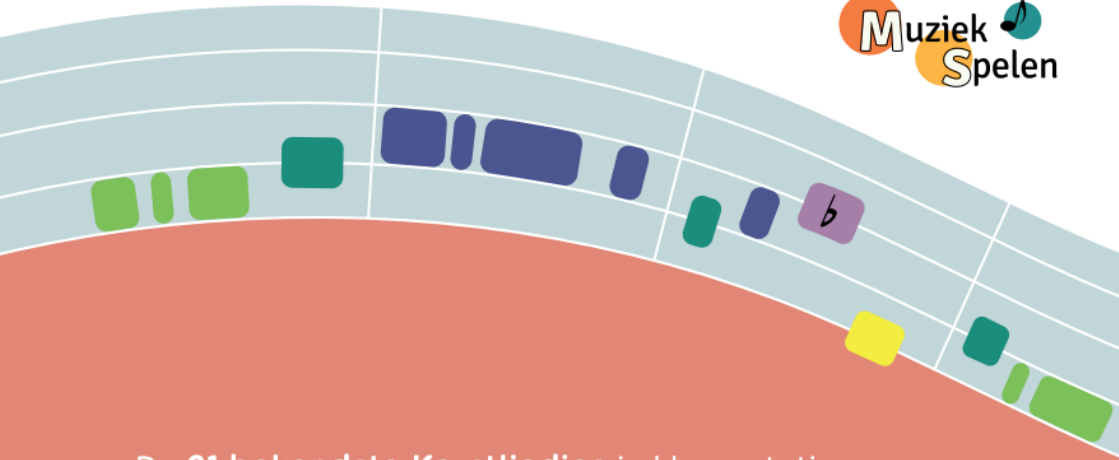

Staff 3: A musical staff with a treble clef and a key signature of one flat (Bb). The staff contains a sequence of notes represented by colored squares: a light green square on the bottom line, a teal square on the bottom line, a dark blue square on the second line, a purple square with a flat symbol (b) on the second line, a dark blue square on the second space, a teal square on the second space, a light green square on the second space, a yellow square on the second space, an orange square on the bottom line, a light green square on the bottom line, a yellow square on the bottom line, an orange square on the bottom line, and a teal square on the bottom line. A vertical legend on the left lists the notes D, Bb, C, A, G, F, E, D from top to bottom.

Staff 4: A musical staff with a treble clef and a key signature of one flat (Bb). The staff contains a sequence of notes represented by colored squares: a light green square on the bottom line, a teal square on the bottom line, a dark blue square on the second line, a purple square with a flat symbol (b) on the second line, a red square on the second space, an orange square on the second space, a dark blue square on the second space, a teal square on the second space, a light green square on the second space, a yellow square on the bottom line, and an orange square on the bottom line. A vertical legend on the left lists the notes D, Bb, C, A, G, F, E, D from top to bottom.

Vandaag is kerst, een mooie dag
En iedereen is vrij
De zorgen zijn voor even weg
De mensen kijken blij
Het hele huis is mooi versierd
Een kerstboom hoort erbij
Mooie tijden, gezellig bij elkaar
Dicht bij elkaar
Mooie tijden, gezellig bij elkaar

God Rest You Merry, Gentlemen
Engels kerstlied 17de eeuw
Hertaling

De **21 bekendste Kerstliedjes** in kleurnotatie.
Zo leer je ze snel en eenvoudig spelen op jouw
instrument. De kleuren komen overeen met de kleuren
van de boomwhackers.

Via de QR code bij elk liedje kom je bij de luister-
en meespeelversie in Chrome Musiclab Songmaker.

In het boekje vind je bovendien een **Toetsenspieker** in
kleur. Deze kun je uitknippen en op de toetsen van je
instrument zetten.
