

VILLA

STOOMGEN.

The dark swimming pool rests like a flat, smooth mirror in the garden. Fifteen days to swim in, 350 days to gaze upon from the house. Like a living work of art, it reflects the endless Dutch skies. European Property Awards Interior Design Private Residence award winner.

LUXURY YACHT

Where technology

From conceptual

from selecting the
colour of the hull,
to the upholstery

We managed it all.
Bon voyage!
