## FORWARD

The marriage institution was established through the plural excellence of wisdom by the Creator God. It is meant to add values to the life of mankind.

A marriage is all about self-expression through loving-kindness to a partner and caring for each other to cultivate the labor of love in happiness. The fulfilment in life through marriage serves as the living paradise, or the first heaven.

The heaven is on the Earth. Such a heaven is attainable through the power of love and the unconditional acceptance of each other through the innocent and the sense of justice .

Love is Life. Life is always fresh and beautiful. Beautiful in the sense that, when love reigns supreme in our matrimonial home, or in whatever we do, we are fulfilled in life. Love beautifies life.

Happiness in the matrimonial home is beyond compares. It is attainable only through the innocent with its unconditional love. Thus, any matrimonial home lacking the innocent and unconditional love is a lifeless marriage. The living hell in which mankind consistently finds itself in marriage is mostly related to the constructive elements upon which a marriage is built.

Natural happiness and true love cannot be purchased with wealth. It is the false love created by the devil which is associated with wealth can be purchased as a commodity.

False love and its matrimonial contract is the major cause of mankind's miseries and agonies in marriage.

False love gives birth to a short lived pleasure. Eventually, the pleasure begotten in the false love leads mankind to depression. The Ego's mindset desires and expectation leads mankind to the state of depression.

It is very significantly for mankind to acknowledge the difference between happiness and pleasure. Many people are lacking the understanding, alike the difference between false love with its bewitching pleasure, and the unconditional love that gives birth to natural happiness.

You can swim in the ocean of the false love and its corrupt manners with its associated wealth to have fun, but at the end of the day, your merry making and its pleasure will be just a short lived.

Eventually, depression will be inevitable. Every desire outside the umbrella of the innocent and unconditional love leads to depression.

Happiness in marriage is attainable only through the innocence, the unconditional love, the sense of justice, care and treating a partner the manner in which you desire to be treated.

Money cannot buy your love. Wealth is meant to give you pleasures in life and in marriage but not a natural happiness.

It is only the innocent and the unconditional love can add values to marriage's life pattern for the attainment of the natural happiness to be fulfilled in life.

Pity are those who led themselves to be bought by the influence of wealth. It is only false love can be purchased as a selling commodity.

Many people exchange their precious lives and souls with the false love for the lack of the distinguishing between the false love and the unconditional love.

For the sake of the atrocities being consistently caused in the name of the false love by humanity, I am compelled to enlighten mankind for the acknowledgement of the attributes of both the false love and the unconditional love.

This may perhaps save many souls from the slaying sword of the false love. It is significantly to evaluate to acknowledge the driving force behind every choice readily to be implemented in life. A choice driven by the Ego's mindset relating to a marriage eventually misleads mankind to deceptions.

Choosing a partner under the influence of sympathy is not love. Choosing a partner through favors or kindness shown to you previously is not love. Choosing a partner prior to profession in which both find yourselves is not an act of love.

Choosing a partner under the influence of cultural values like an arranged marriage or dating on social media may not be under the umbrella of the unconditional love. Choosing a partner from the same religious affiliation for the sake of security is not love. They are the Ego's trend. Simply, any choice in engaging in relationships or engaging in marriage on conditions is not an act of unconditional love.

These kind of relationships or marriages fall under the umbrella of the false love. False love gives birth to pleasure but not a natural happiness.

It is only the unconditional love which is natural and goes beyond all borders can give mankind the desirable natural happiness in marriage.

Unconditional love is simply; loving without conditions.

In some situations and circumstances, the innocent partner with unconditional love, cares for a partner more than himself or herself.

Much have been said. It is individual's choice. It is either you choose a partner in the frame-work of the Ego's mind concept with its false love, or engage in marriage with your innocent and unconditional love which is natural to enjoy the benefit of it.

It is only natural things can create the desirable happiness for mankind. It is simply just "a cut and dry issue." Any marriage lacking the innocent and unconditional love is a lifeless marriage. Without unconditional love, there is no possibility of attaining happiness in your matrimonial home.

Many people desire peace and happiness in their matrimonial homes. They try as much as possible to overcome obstacles. They invest much time in the settlement of their differences in their matrimonial homes for peace, stability and happiness; yet, in some scenarios, peace and happiness eludes them.

Most matrimonial homes are swimming in the pool of misunderstandings and chaotic living hell's atmospheres. Depression is weighing many people down prior to the burdens begotten from their matrimonial homes. They are walking corpses in the society; absolutely living dead people.

You cannot plant a banana tree to cultivate the fruit of the coconut. Each and every tree produces its kind of fruits. Thus, if a person desires peace and happiness in marriage, the only possibility is to invest the innocent and the unconditional love in his or her marriage.

The by-product of the innocent and unconditional love is perfect peace, everlasting prosperity and happiness.

This is the only manner through which mankind can attain peace and happiness in marriage.

Whatever you do in marriage, let the innocent and unconditional love reign supreme and you will cultivate their fruits of perfect peace, everlasting prosperity and happiness.

Perfect peace and everlasting prosperity is attainable in marriage only through the innocent and the unconditional love. Love is the solution to everything in life and the remedy for all illness including the mighty death itself.

Mankind is the creator of its own worst nightmares. “We reap whatever that we sow.”

Sow the seeds of the innocent and unconditional love in your marriage, and you will reap in perfect peace, everlasting prosperity and happiness in your matrimonial home.

The basic elements for the construction of a successful matrimonial home are; the innocent, unconditional love, the sense of justice, loving-kindness, commitment, trust, compassion, patients, respect and surrendering selflessly in totality and to treat a partner the manner you desire to be treated by such a partner.

When mankind sow these seeds in its matrimonial home, it is compelled to cultivate their fruits of happiness, perfect peace and everlasting prosperity.

This precious book; “How to find happiness in marriage” is meant to enlighten mankind to acknowledge the cause and the effect of the false love driven by the Ego’s mindset and the unconditional love driven by the innocence.

It is meant to create awareness. It enables mankind to make the right decision in engaging in marriage to avoid falling into the “time-trapped” agenda through the false love and its matrimonial contract.

“Prevention is better than cure, and for the lack of knowledge, ignorant people perish without any tangible reason.”

Whatever choice we make with our given free-will pays us its dividends in a millionfold. It is individual’s choice. It is either you engage in marriage with the Ego’s mind concept and its false love, or with the innocent with its unconditional love to enjoy the benefit of it.

You are your paradise and your living hell dependably on how you choose to confront love, life and the mother nature.

Unconditional love is all that we need to create a living paradise in our matrimonial home. Love is the solution to all grudges and the creator of the desirable happiness in the matrimonial home.

Let innocent and unconditional love reign supreme in your matrimonial home, and you will always find happiness in your marriage.

The divine constructive elements for a successful sacred marriage institution are; the innocent, unconditional love, the sense of justice, loving-kindness, compassion and surrendering selflessly in totality with commitment..

Any matrimonial home lacking these divine qualities is like a vehicle with a flat tyre on the highway. There is no possibility of reaching its destiny, unless the bad tyre is replaced with a good tyre.

A partner living with his or her innocent and unconditional love in the matrimonial home cares for a partner more than himself or herself.

Such a partner's major preoccupation is the happiness and the welfare of both partners.

Whatever you do in your matrimonial home, do it with love. The only possibility of attaining the desirable happiness in marriage is to treat a partner the manner in which you desire to be treated by such a partner.

This universal law falls under the umbrella of the "innocence and the unconditional love.

## INTRODUCTION

The essence of life is the divine love. The Supreme power of Love is the womb of the entire Existence. The entire Existence operates on the energy of the supreme power of Love.

Love is real and natural, and natural things create no misery. The supreme power of Love directs the entire Existence to its desirable course. The human mind falls short to manipulate such a supreme power of love.

The simplest natural law for the attainment of happiness in marriage is; to treat a partner the manner in which you want to be treated in your matrimonial home. This specific natural law is within the frame-work of the innocence with its unconditional love.

Mankind came into existence in the human form through love and sex. To manipulate such a mighty power of love through which you are experiencing life on the Earth is suicidal.

The mind falls short in the presence of the unconditional love. It is only the heart can embrace unconditional love. Unconditional love is the cover-cloth of the innocence. It is only the person living with his or her innocent can love unconditionally.

The innocence and unconditional love live in truth and reality. God of creation is always present in the midst of truth and reality. "God is love."

God is forever good. He is merciful. His loving-kindness endures forever. His pride is to see mankind swimming in the ocean of the unconditional love, alike, engaging in

marriage under the umbrella of the unconditional love to enjoy its bewitching natural happiness.

True love cannot be manipulated with the Ego's mindset. It is only the false love created by the devil hidden in the coat of love can be manipulated or be purchased with wealth.

False love is a sophisticated weaponry created by the devil for mass destruction. Any marriage under the umbrella of the false love eventually leads to depression and the living hell.

Mankind is the creator of its own worst nightmares. If you live by the sword, you are compelled to die by the sword.

Whatever begotten from the devil has its far reaching consequences. You reap whatever that you sow. The devil cannot present to mankind the living paradise with its natural happiness.

Loving or engaging in a marriage on conditions is nothing, but just a personal interest and possessiveness. It falls under the umbrella of the false love created by the devil. Whatever pleasure begotten from the gift from the devil has its payable dividends at the end of the day. False love has been embraced by mankind as a hereditary.

False love is the birth of the corrupt manners. There is no security in marriages. Many matrimonial homes have become the theatre show of the "Tom and Jerry" cat and mouse games, or toy's movies. These delinquencies are the attribute of the false love and its corrupt manners.

Most marriages are matrimonial contracts. Their daily activities is governed by the false love and its corrupt manners. Whatever choice we make pays us its dividends.

Loving without conditions is the attribute of the innocent. The by-products of the innocence are; loving-kindness, the sense of justice, unconditional love, truth and reality, selflessness and godliness characters.

Any marriage based on these qualities is meant to survive in any deadly storm orchestrated by the devil. It is only the innocent and unconditional love can create a natural happiness.

When two beautiful Angel of love are coincidentally thrown into the living hell, they can eventually transform such a chaotic living hell into the living paradise with their innocent and the unconditional love they possess.

It is simply because, innocent with its unconditional love is the generator of the sacred light in mankind's inner-world. In the presence of light, evil darkness disappears. True love sees the beauty and the worth of a partner. It turns the blind eye to the ugliness and the short comings of a partner. If you look at the beauty side of your partner consistently, nature will help you to dig out the qualities of gold in him or her.

In the critical moment in grudges whereby an imminent solution is imperative, the innocent person with loving-kindness surrenders selflessly to amend the differences amicably through the language of love.

Thus, when innocent and unconditional love reign supreme in any matrimonial home, there is always a possibility to find natural happiness in such a marriage. This precious book; "How to find happiness in Marriage" is meant to enlighten mankind to acknowledge the root cause of the rampant atrocities, alike, divorces being witnessed globally in the name of love through deceptions.

It enlightens mankind, how to acknowledge and to embrace a marriage made in heaven through the unconditional love for its natural happiness.

It spells out vividly, both the root cause of the false love and the unconditional love. It enlightens mankind, how to distinguish between the unconditional love and the false love which hides itself in the same coat of love.

A marriage is not like a mere hot soup to be tasted and be dumped into a garbage can when freezing. To be engaged in marriage is the most important and the delicate choice to be made in the life of mankind.

It is worthless to offer your precious life as a ransomed sacrifice in the name of the false love and its marriage made in the pit of hell.

To be engaged in marriage is between both the living paradise and the living hell, dependably on individuals choice with their given “free-will” by the Mother Nature. Mankind is its own living paradise, alike, its own living hell. It is individual’s choice. Either you engage in marriage with your innocent and its unconditional love from the heart, or with the Ego’s mindset and its false love and enjoy the benefit of it.

“You reap whatever that you sow.”

Unconditional love creates no misery. Our misery or deception in marriage is the attribute of the false love created by the devil which hides itself within the coat of love. It is only the unconditional love which is natural can create the desirable natural happiness for humanity. Love unconditionally, and you will always find happiness in your matrimonial home. Love is the solution to grudges in matrimonial homes.

Love beautifies life. Life is always fresh. True love never decay or loses its legitimacy. Its flaming fire of love is unquenchable. Love is always fresh and never loses its beauties. Love, life and beauty are inseparable.

There are numerous angel-like people full of the energy of love willingly to share with the innocent partners. There are also, uncountable hell's angels in the human form. They go around with their daily business fishing out the innocent souls from the stream of their good lives for their perpetual incarceration in the lover's jail through marriages made in the pit of hell.

This precious book is meant to awaken you from your hallucinated dreams. It enables you to use properly your natural given bodily sensors to avoid been trapped in the false love for your doom.

Mankind is sick and tired of the daily atrocities being caused in the name of the false love prior to its deceptions.

Thus, the main purpose of this precious book is to liberate mankind from the slaying sword of the false love that made many generations walking corpses prior to the burdens in their marriages and in their relationships.

Unconditional Love is all that we need to share with each other to make the world much safer and a perpetual living paradise as it is in heaven. To find happiness in marriage, and to be fulfilled in life is considered as the first heaven. The Heaven is on the Earth. Such a perfect heaven is attainable in marriage only through the innocent, unconditional love, the sense of justice and treating a partner the manner in which you desire to be treated in your matrimonial home.

The power of love conquers all.

## CHAPTER 1

### A MARRIAGE IS A SACRED RELIGION

A marriage is a sacred institution. It was established through the plural excellence of wisdom by the power behind the entire Existence.

Its fundamental pillar was built upon the power of love and sex. It is meant to add values to the life of mankind. The matrimonial home serves as the divine temple. The matrimonial “bed of roses” is meant for prayers, or meditation through love and sex, or intimacies for transcendental within the supreme power of love.

Love and sex, or intimacy in the matrimonial bed is a divine service to be rendered to the supreme power of love and the entire Existence. To be engaged in love and sex, or intimacy by observing its divine criteria is divinely considered as religiousness.

Thus, the matrimonial bed must be a holy-space or an ‘Altar’ which must be kept in an extraordinary lovely to be attractive to love and sex. It is a holy-space which must be kept out of argumentation and grudges. The couple must leave behind all their misunderstandings and grudges in the sitting room before entering their matrimonial bedroom.

It is a holy space meant for love and worshiping, alike, to render services to the entire Existence and its Creator. Love and sex, or intimacies in such a divine temple and its bewitching ‘Altar’ which is the ‘matrimonial bed of roses’ is meant to pay a homage to the supreme power of Love for transcendental. “And, God is Love.”

“To be loyal and faithful with deeds in a respectful manner in serving your matrimonial home with your innocent and unconditional love for its success and happiness tantamount to rendering services your creator God.”

When the climate in the matrimonial bed calls for intimacy through erection, it leaves the couple no alternative than to surrender selflessly in totality to the power of love and sex. In some scenarios, the male gender bows to the goddess of sex before penetration or intimacy. To bow on your knees is adoration. It is the same as in worshipping, or in prayers.

Through intimacy, alike at the edge of the orgasm, the mind loses control. Mankind attains perfection when it is no more under the dictates of the Ego's mindset. Meditation is all about going beyond the mind. When the mind seizes to play its filthy games, you are in transcendence within the entire Existence.

“Unto thee my God I surrender all; as advocated in the Christendom's Holy Book, alike, mankind surrenders selflessly in totality to love and sex, or intimacy. Anything that you surrender selflessly in totality is meant to take full control in all aspects in your life. Surrendering selflessly in totality connotes unwavering trust, belief and faith with hope for the impossible possibility.

Anything that you surrender selflessly in totality through the innocent and unconditional love gives birth to success for the desirable natural happiness. In this wise, to attain perfection, success and happiness in marriage is to surrender selflessly in totality in commitment to your marriage through the innocent and unconditional love.

The activities in a marriage must be confronted with loving-kindness, compassion, the sense of justice, innocence, truth and reality. All the above mentioned divine qualities connotes religiousness and godliness.

“Religion can be defined as; anything that binds your heart, with which much time is dedicated to its activities through compassion, innocence, unconditional love and surrendering selflessly in totality to cultivate happiness.” This is an act of religiousness.

A marriage is a sacred institution. There is enormous showers of blessings in rendering good services in your matrimonial home. Serving your matrimonial home with your innocent and unconditional love with motherhood or fatherhood responsibilities supersedes any form of religiousness.

“The blessings mankind receives in serving in the marriage institution whole-heartedly in the name of the innocence and unconditional love supersedes the blessing the devotees receive from their various church attendance”.

We often hear that, the heaven is on the Earth. It is a gospel truth. The Holy Book says; as it is in the Heaven, so as, thy will be done on the Mother Earth.

Having a peaceful marriage and the divine gift of children is the fulfilment of the natural law of the re-production which none is exempted. The children begotten in the services in love and sex, or intimacy serves as mankind’s foot-prints to be left on the mother earth perpetually.

It is indeed, great services being rendered to mankind, the supreme power of love, the entire Existence and its creator God.

Children are the souls that obviously shield themselves in the human body to execute their divine mission on the mother earth. They are the light, or the burning torch that shines perpetually in the sight, in the mind and in the heart of mankind through reproductions.

Children are the most precious and the priceless gift from the creator God. They remain as the perpetual foot-prints of mankind on the mother earth through multiplication.

This is obviously attainable through the power of love and sex, or intimacy. Love and sex is a divine gift and indeed, a religiousness. It is a divine service to be rendered to mankind, the mother earth and the entire Existence.

A peaceful matrimonial home with lovely children and heavenly atmosphere is what is being referred as the first Heaven.

“Having beautiful and healthy children under the same roof in the matrimonial home with a family’s bound of love and being fulfilled in life is the first heaven in which a person will mysteriously find himself or herself.

This is obviously attainable through the power of love and sex. Love and sex is a divine gift. It is a divine service meant to be rendered to the entire Existence and the supreme power of love on the ‘Altar’ which is the ‘bed of roses’ within the matrimonial temple.

Its divine service is what maintains perpetually, the circle of life in the human experiences on the mother earth. The womb of a woman was created for birth to fulfill the natural law of reproduction through love and sex, or intimacies.

“Children are with enormous potentials that strengthen themselves and stretches to the higher degree in existence

whereby, parents could reach only in dreams. The children are the mystery light that parents leave behind as the burning light for generations.”

“To be engaged in intimacies in the matrimonial home’s divine temple, alike on its ‘Altar’ with the innocent and unconditional love for equally satisfactory in orgasm for transcendental supersedes any form of worshipping in the manmade temples.”

The mind is the hindrance to most people in prayers and in meditation. In sex, the mind loses control. The body who is the servant to the Ego’s dominant mind loses control to be steered by the sweet melodies of the power of love and sex.

The entire divinity within the soul expresses itself without any hindrance of evil thought at the edge of reaching orgasm. Both partners souls reach their holiness through orgasm for perfect transcendental in unique with the entire Existence mysteriously.

The constant consented to love and sex, or intimacies with unconditional surrendering in totality for equally satisfaction in orgasm boost the divine, or the spiritual growth, alike the growth in physically for a steadfast companionships in marriage.

Love and sex is an in-depth meditation or prayerfulness. In orgasm and transcendental, mankind finds itself in a solid connectedness with the entire Existence in unique without separation.

Love and sex is a service to be rendered to mankind. It is the armour of the matrimonial home. A rhythmical functional sex, and satisfactory sex unites couple without a breathing space. This is the preventive measures against the matrimonial home invaders and the soul haunters.

## CHAPTER 2

### THE HIDDEN TREASURES IN MARRIAGE

A successful marriage with its bewitching happiness under the umbrella of the innocent and the unconditional love is referred as the first heaven on the mother earth.

Mankind's major preoccupation is to be granted an entry into the spiritual heaven after death. We start from one step before taking the second step.

The heaven is on the Earth. Such the first heaven is mankind's birthright. To neglect the first heaven, which is bestowed upon the sacred marriage institution is indeed, a grave failure in the life of mankind on the mother earth.

The first heaven and its happiness is attainable through a successful marriage. A marriage institution in most cases doesn't judge mankind for its unquities of the past. It rather gives mankind the visa-free to its mystery bosom through the power of love.

Through ignorance and the lack of awareness, mankind is incapable of capitalizing on this window of opportunity given by the mother nature. Instead of making a good use of this opportunity for the acquisition of the first heaven and its natural happiness, mankind has chosen the opposite way prior to its Ego's mindset.

Mankind is swimming in the dirty gutters of the false love, and continuously poisoning its precious soul for its doom each day. Prior to that, atrocities are being caused consistently at the mercy of the false love and its matrimonial contract through deceptions.

Mankind is constantly playing games with the precious life and the heart of its innocent partner in marriage like playing with the plastic toy.

Any marriage, which is running on the wheels of the Ego's mindset is a lifeless marriage. It is just an elusive and a lunatic trend. The activities in such a marriage is driven by the Ego's mindset. It is the manipulation of the innocent partner through the false love and its matrimonial contract.

This is the signification that, the manipulator engaged in such a marriage with the ego's mindset for a personal interest. At the end of the day, such a marriage is meant to experience deceptions.

The success of a marriage is attainable through the governance of the hearts and the souls of the marriage couple. This is the signification that, surrendering selflessly in totality by each partner with his or her tenacity for the success of the marriage is a necessity. When there is a will, all things are possible, and success will be inevitable.

The marriage institution is meant to be a sacred union for worshiping, alike, to render divine services to the Supreme power of Love through the dictates of the heart and the soul.

The Heaven is on the Earth. Such a heaven, or the paradise is mainly attainable through the sacred marriage institution. The success in a marriage and its fulfillment through the labor of love is referred as the first Heaven, or the living paradise.

“And, is it possible to be granted an entry visa to your visionary heaven, whilst incapable of fulfilling the

desirable criteria of the first heaven on the earth in marriage for your happiness in the human experiences?” I leave it for the response of my beloved readers.

The Heaven is on the Earth. Mankind was created to be the principal overseer on the earth on behalf of the creator God. Mankind was created as the unique friend of the creator God. The cosmic consciousness and its creative ideas is meant to be channeled through mankind for the implementation of the wishes of the creator God on the mother earth.

The creator God gave mankind its ‘free-will,’ but obviously with measures of governance through the frame-work of specific natural laws to be observed.

The Master of Creation created a man, a masculine gender, and a woman, a feminine gender. This is meant for intimate companionship through love and sex to fulfill the natural law of the re-production which none is exempted in the human experiences on the mother earth. For the sake of the intimate companionship in marriage, alike for the assistance of the feminine gender for the fulfilment of the natural law of the re-production, the Master of Creation designed the womb and the vagina of a woman and the sexual organs of a man, meant for intimacies.

The feminine gender was endowed with the quantitative qualities of potentials to be capable of assisting the masculine gender for the implementation of the creative ideas fished out from the eternal ocean of ideas and the eternal life force.

For the effectiveness and the efficiency of the in-depth companionship between a man and a woman, the Master of Creation designed the marriage institution. It is meant

to be running on the wheels of the innocent, unconditional love and intimacies to create a unify force through trust for spiritual growth through transcendental in the frame-work of the power of love and sex.

Thus, a marriage was designed through the plural excellence of wisdom by the Master of Creation. A marriage is a divine institution naturally created for mankind's benefit. Natural things create no misery.

A marriage and its matrimonial home was created to be a peaceful resting place after the hustles and bustles of the day. It is mankind's divine resting home for happiness and to share ideas with its companion for the honest evaluation of the work done during the day.

The love and sex in otherwise, serves as a package meant for a divine baptism to wash away the stress begotten from the day's activities. It serves as a refreshment to be awakened to be a "new-you" with the energy of love to carry on your chasing dreams.

Women are endowed with the mystery power that sucks empty the stress of men through loving-kindness and sexual intimacy.

It is meant to awaken a man to be functional effectively and efficiently for the implementation of the ideas fished out from the oceans of the eternal life force.

Women are endowed with an extraordinary mystery empowerment for encouragement to uplift the soul and the intuition of men to be functional.

Behind every successful man, you find a responsible woman. Women are the light in every matrimonial home. Their shining light becomes the miracle creator when they are consistently experiencing extraordinary mood of happiness in the matrimonial 'bed of roses,' alike,

enjoying a heavenly atmosphere through loving-kindness and care.

They are well designed for the multiplication of anything in millionfold, alike for the re-production of mankind's offspring.

Give a woman a tiny spermatozoa, and she will transform it in her womb to bring forth a beautiful baby full of love, light, beauty and life. The child will continuously be multiplying itself to form a nation. Naturally, all the densely population in this global village sprang-forth from the womb of women.

The potentials endowed to women are beyond measures. The mystery potentials endowed to women is related to the foundation of the sacred marriage institution which source is from the supreme power of Love; mostly referred as the spouse of the master of Creation.

To render this divine service in marriage is more than religiousness. It is a service being rendered to the supreme power of love, mankind and the entire Existence. To sojourn under the roof of a successful matrimonial home till your last breath qualifies you for the attainment of the honor of 'heroism' from the Mother Nature.

## CHAPTER 3

### THE MEANING OF MARRIAGE

A marriage is a sacred institution created by the master of creation. It is meant to add values to the life of mankind. It is a companionship to assist each other for the implementation of the creative ideas fished out from the Oceans of the eternal life force.

A marriage is the unification of two souls; consisting of a masculine gender and a feminine gender for an in-depth companionship under the umbrella of the innocent and unconditional love in a unique world.

This unification is meant to forge ahead the course of life and to assist each other for the accomplishment of their divine mission in the human experiences on the earth.

It is the unification of two souls, both in spiritually and physically in a unique and inseparable world for growth and to add values to the life of mankind.

Thus, in a unique world is the signification of surrendering selflessly in totality in commitment for a successful and a peaceful world in which both partners find themselves.

A marriage is a life time investment to be cultivated in the value of offspring's. A marriage is a sacred institution. It is meant to establish a perfect peace and everlasting prosperity with abundant happiness in the life of mankind.

To be engaged in a marriage is to surrender selflessly in totality in a unique world with a partner, both in physically and in spiritually through the power of love.

It is to assist each other for growth in creativity to add values to the life of mankind. Its ultimate success depends on the fatherhood and the motherhood responsibilities to raise their children to exhibit stupendous quality of life to add values to the life of mankind. ## CHAPTER 4

### THE FOUNDATION OF A MARRIAGE

Everything in Existence has its beginning. Its original source from where its foundation began. Nothing existed coincidentally in Creation.

The entire Existence has its very foundational source through which it sprang forth. Mankind has its original source through which it came into existence.

Everything in the Existence has its basic or foundation. The foundation or the basic source is the most significant. It is simply because, any foundation of a building with inappropriate material cannot withstands a deadly stormy wind. It is meant to fall.

The mother earth was created through the principles of the master of creation with its calculated plural excellent of wisdom. It is the signification that, the mother earth is perpetually solid and excellent in its own dominion prior to its source of existence.

Its foundation was solid and excellent. Mankind is created perfectly solid by the master of creation. Nothing is wrong in creation. The entire Existence came into existence through the womb of the Supreme power of Love, alike, operates on the energy of Love. The entire Creation is steered by the mystery energy of the Supreme power of Love.

It is the universal fact that, Love is real. Reality and truth are the attribute of the innocence which cover-cloth is the unconditional love. The mystery energy of love is felt by individuals in their own uniqueness.

It is not something that needs to be taught by someone. Love is mankind's energy of existence. It is realistic and truth.

The power of Love is real and truth. Its sacred womb gave birth to the entire Existence. "And God is Love." This is the signification that, anything that connotes truth and reality represents God.

Truth and reality is what liberates mankind from its self-created problems. Any marriage which foundation is based on the innocent, love, truth and reality eventually gives birth to the living paradise with its bewitching happiness.

Unconditional love is natural and has nothing to do with mankind's miseries in love and in marriages. Natural things create no misery.

The awful ordeal which mankind encounters in love and in marriage is related to the manner through which mankind confronts love with its Ego's mindset.

Any foundation of a relationship or a marriage contrary to truth, reality, innocent and unconditional love has its far reaching consequences.

Love, truth, reality, life and beauty are inseparable. Love is the energy for mankind's existence. Anything, contrary to love, truth and reality is contrary to the nature of mankind.

You can talk about love. You can educate people about love. To educate mankind with the possibilities relating to the resolution to the problems in marriages may be meaningless, if the basic constructive elements of the marriage is inappropriate.

Lacking the appropriate constructive elements in laying down the foundation of a marriage, all the efforts and the

resolution principles may not be effective or pay a good dividend.

False love and its corrupt manners with its matrimonial contract is like a flat tyre on a vehicle, you reach nowhere unless you change it with a good tyre.

It does not matter, how harder the partners work to sustain a marriage running on the wheels of the Ego's mind concept, there could be a probability of a far reaching consequences.

Such a marriage under the Ego's mind concept doesn't favors an innocent partner. Enslavement and deception could be possible at the end of the day. The mind has nothing to do with love. It promises much but delivers absolutely nothing in reality.

The foundation of every mighty building is the most important. This enables the building to be capable of withstanding any deadly stormy wind.

It is the same as a marriage. Once laid down a negative foundation, in some scenarios, all the efforts for a successful and a happy matrimonial home may elude you. Anything begotten from falsehood, or from the Ego's mindset, mainly in love affairs eventually gives birth to deceptions and leads to the living hell.

“Prevention is better than cure, as the wise men say.”

The basic constructive materials in any marriage or love and sex relationships is very important. A solid foundation in marriage eventually gives birth to success and a happy life style in marriage.

The basic constructive materials for a successful and a happy matrimonial home are; the innocent, care, the unconditional love and the sense of justice.

Loving-kindness, good communication, understanding, respect, friendship, companionship, union prayers in spirituality, commitment, surrendering selflessly in totality, patients, the sense of justice could be possible to be observed when the innocence and the unconditional love reign supreme in a marriage.

Thus, the possibility of attaining happiness in marriage without the innocent and unconditional love is very slim. It is only the unconditional love can create happiness in marriage.

Any marriage without the innocent and unconditional love is a lifeless marriage. Such a marriage is under the dictates of the Ego's mind concept. This kind of a marriage is a false marriage. It is a matrimonial contract with bargains.

Partners in such a marriage could be considered as sex partners and business associates. Each partner is having a hidden agenda to be fulfilled.

Love and sex relationships or a marriage under the umbrella of the unconditional love is not a bargain. It is a feeling in which you care for a partner more than yourself.

The innocent person presents his or her true nature initially in a marriage or in love and sex relationships. It is the signification of letting both your bad and good deeds to be recognized by your partner in the initial stage. If such the newfound partner accepts you unconditionally despite your past rotten life, then, success is inevitable.

You must present to a newfound lover your true nature to be accepted unconditionally. This is the basic fact that upholds the integrity of a marriage. The innocent partner with unconditional love lives in truth and in reality.

Love, innocence, life, truth, reality and beauty are inseparable. In the presents of these sacred elements, you find God. Any marriage with such constructive materials is made in the Heaven before crowning itself physically in the sight of mankind on the earth.

Any marriage which constructive elements fall outside the above mentioned sacred elements is a marriage made in the pit of the hell for mankind's destruction. It is under the dictates of the Ego's mind concept.

Thus, any foundation of a marriage or relationships with the by-products of the Ego's mindset is a false marriage, or a false relationships. It is the signification of reaching out to the devil to steer the life pattern of the matrimony or the relationships.

When the devil takes the center seat in the matrimonial home or in any relationship, definitely, devastating atrocity is inevitably. The devil cannot present to mankind the living paradise. On the contrary, its main agenda is to misleads mankind into the living hell.

Any foundation of a relationship or a marriage based on false image or identity is outside the territory of truth and reality. The activities of such a marriage is running on the wheels of the false love with its bargains.

It is the signification of having a hidden agenda, alike a personal interest. Any relationship or marriage which foundation is based on personal interest is under the umbrella of the false love. It is the signification of not dealing with your partner in truth and in reality.

Unrealistic, which is the attribute of the false image or false identity is the product of the Ego's mindset.

“And the Ego is the devil part in mankind.”

## CHAPTER 5

### THE DEFINITION OF THE UNCONDITIONAL LOVE AND THE FALSE LOVE

Mankind is consistently witnessing the rampant atrocities being caused in the name of love by the vulnerable people through deceptions.

Numerous populations in the world are entangled with problems through deceptions. There are monsters hidden in the human's forms. Their major preoccupation is to dive into the romantic ocean of love with the innocent people for their destruction. Deceptions through the betrayal of the trust given to the strange partners is weighing many innocent partners down.

Prior to the deceptions in marriages, many people are just walking corpses. They are carrying spiritual baskets full of burdens. These burdens are attributed to the choices they made in engaging in marriages or in love and sex relationships. It is simply because, initially, they fell short in acknowledging the meaning of love and life.

You can understand what is life, only, if you happen to fall in love with your soul and heart with its innocence and unconditional love. Love is life. The essence of life is the divine love, and God is Love.

Falling in love is simply, loosing your mind to surrender to the dictates of the heart with its innocent and unconditional love in the marriage or in the relationship in which you find yourself.

Many people are bleeding spiritually each day at the mercy of the false love through deceptions. They failed

to distinguish between the false love with its short lived pleasure and the unconditional love with its natural happiness.

Many of those successful prominent people in life, have suffered immensely from spiritual bleeding through the deceptions of the false love previously. Lack of awareness, the majority of the human race fell by the edge of the hidden sword of the false love. It favors nobody. Who ever is incarcerated by the false love eventually, faces its destruction. The unlucky people lose their lives, whilst the lucky ones get away with its spiritual bleeding.

Mankind's short comings in differentiation of the false love and the unconditional love is the cause of the deceptions in marriages that results in divorces. After freedom from the marriage through divorce, realizing, they are caught in another marriage worse than the marriage in which they fled through desires, lust and harrying in love for possessiveness.

“At the end of the day, they find themselves marrying twice the same women and the same men.”

This has been the circle of the life of mankind from its existence on the Mother Earth. They divorced from marriages considerably as the living hell. They engage in marriages again and again to new found lovers. Sooner or later, they acknowledged that, they are being trapped again by the false love, which initially dressed up with the coat of the true love.

Through deceptions in marriages or in love and sex relationships, some vulnerable people have thrown their talents and their precious lives away.

Some are incarcerated, thrown behind bars for their entire lives to be spent on the mother earth. Some people are homeless at the mercy of the false love and its matrimonial contracts. Some people are not recognized by the society despite their educational background and their qualifications.

Mankind is breeding orphan children. Vagabond children are in rising prior to false love and its divorces. Some people are bleeding every moment, a typical spiritual bleeding which are the cause of the false marriage in which they find themselves.

If you listen very attentive to many awful occurrences in domestic violence, they are attributed to false love and its matrimonial contracts.

Many people are living in the degree of fear. They tried their possible best to distant themselves from the false love and its corrupt manners.

Unfortunately, the more they try to protect themselves from the false love, additionally they are trapped in marriages and relationships under the umbrella of the same false love.

Many people have lost their credentials, alike, lost the ability to live as normal people in the society prior to the false love and its destructive slaying sword.

Mother nature warns us in every moment with the pictures and the stories of individuals who are the victims of the false love.

We read about it or hear in the news about it. We turn the blind eyes and deaf ears to these pictures and news. We think, we know better. Unfortunately, at the end of the day, we find ourselves swimming in the same dirty ocean of the false love.

In most circumstances and situations, many ignorant people hastily cast the blame on an imaginary devil for their predicament in the false love.

We cannot single out the manipulation of mankind by the Devil through its false love. The manipulation by the Devil is realistic. “But then, the act of engaging in the false love and its marriage, or relationships is your responsibility by your own free-will.”

Since from the Existence of mankind on the planet mother earth, mankind has always been falling at the edge of the slaying sword of the false love consistently.

“And when will mankind acknowledge its short comings by avoiding its crucifixion by the false love?”

Mankind takes the pride of being much clever in the advancement of its discoveries in technology. Its modernized system of its sophisticated means of living.

Unfortunately, the acknowledgement of the false love and its slaying sword that is destroying many lives eludes mankind completely.

“And when will mankind learn from its repetitive mistakes to refrain from the false love and its corrupt manners which is its warrant to its living hell?”

“What is the cause of mankind’s vulnerability to the false love?”

“Why are we so fragile or vulnerable to the burning desires and lust driven by the Ego’s dominant mind?”

“And what is the combatant force against the false love and its destructive sword?”

It is imperative to pin-point these issues. It is simply because, each and every moment, innocent people are fished out from the stream of their good lives for total destruction by the evil power of the false love.

False love always knocks at the sacred door of mankind with a disguised coat of the unconditional love. Its purpose is to get access to inherit a place in the closet of mankind to misleads mankind into the living hell.

It is nothing beneficial to mankind than destruction. False love is a sophisticated weaponry created by the devil for mass destruction.

Anything begotten from the devil has it payable dividends. The devil has designed false love in a sophisticated manner in such a way that, its vibes catches the sight of mankind. It drives mankind to be uncomfortably tightened in its panty through the burning desires and lust.

It gives mankind no room for evaluation than, hastily embracement through its burning desires and its lust of the flesh driven by the Ego's dominant mind.

Many people are being held in captivity like cows with chains on their necks heading towards the slaughter house. False love is like a disguised hook covering its sharp edge with a meat thrown into the vast ocean to trap innocent fishes.

Prior to the lost of mankind's innocent, false love has been embraced as a hereditary by mankind.

“Its lust for materialism, its sensual fashions and cosmetics application with its unnatural seducing is sweeping across cities and hypnotizing vulnerable people; alike, handcuffing many ignorant souls for their incarceration in the lover's jail with the surrounded high walls without any possible exit.”

Mankind is always vulnerable to the devil and its false love prior to its lack of the distinguishing between the false love and the unconditional love.

## EPILOGUE

A marriage is a life time investment to be cultivated in a value of offspring's. A marriage is a sacred institution. It is meant to establish a perfect peace and everlasting prosperity with an abundant happiness.

It is a companionship to assist each other to add values to the life of mankind. It is meant to assist a partner through loving-kindness to execute his or her divine mission in the human experiences on the mother earth.

It is an intimate friendship or companionship to guide, or to assist each other till the last breath of life in the human form.

A marriage must be able to add values to the lives of the couple involved. Valueless life in marriage is insignificant. It is just a time trapped.

To be engaged in a marriage with the Ego's mindset is nothing but, a suicide mission. Thus, be aware with whom you choose as a life-time partner, or a companion in the marital life's pattern.

There are numerous angel-like people full of the energy of love willingly to associate with the innocent partners for the desirable happiness and for the accomplishment of their dreams. On the contrary, there are uncountable hell's angels in the human form whose major preoccupation is to create the party of suffering for the innocent people.

They go around with their daily business fishing out the innocent souls from the stream of their good lives for their perpetual incarceration in the lovers jail through marriages made in the pit of the living hell.

Prior to the world of the Ego's mind concept in which mankind finds itself, marriage meant to be sacred has been transformed into a lucrative business. It has been polished and transformed as a merchandise, alike been added to the commodities to be purchased in the street.

There is no safety in marriage, neither trust found in many marriages. Even, some partners in marriage trust their dogs, or cats more than their husbands or wives. Most marriage couple are living in the degree of fear in their matrimonial homes.

There is insecurity in marriage. There is a possibility of finding yourself standing shoulder to shoulder in the divorce court tomorrow with a partner with whom you shared sweet melodies in bed today.

The innocence with its unconditional love is far beyond the reach of mankind. False love and its corrupt manners, alike its politics is reigning supreme in the life of mankind.

There is no room in the interior-world of mankind for unconditional love and its sacred marriage institution. Your wallet, or sensuality, seducing and the manner through which you transform a partner into an addict in love and sex, or intimacies determines your love.

Love and sex has been added to the commodities in the market to be purchased in the street, alike, on the social media.

When love and sex became a merchandise, or a commodity to be purchased with wealth, the innocent and its unconditional love is hard to find in the heart of mankind.

Instead of loving with the heart, mankind is blindly and

deafly loving through the dictates of the Ego's mindset. Its burning desires and lust have misled numerous people to be incarcerated perpetually in the lover's jail.

Prior to that, many generations that come and go faced the hidden slaying sword of the false love mercilessly. Many people are just nothing, but walking corpses in the street. They are bleeding spiritually at the mercy of the false love and its matrimonial contracts.

This precious book, is meant to awaken mankind from its hallucinated dreams and to be capable of making the right choice in marriage.

It enlightens mankind; how to use properly its given spiritual bodily sensors and its "free-will" to avoid being a victim to the false love for perpetual damnation.

It helps mankind to acknowledge the difference between the false love and the unconditional love. This is meant to reduce the mortal rate through the slaying sword of the false love.

The constructive elements for a successful and a happy matrimonial home are; innocent, unconditional love, the sense of justice and by treating a partner the manner in which you desire to be treated by such a partner.

Loving-kindness, good communication, understanding, respect, friendship, companionship, prayerfulness in spirituality, commitment, care, admiration, appreciation, surrendering selflessly in totality with the sense of justice in a unique world with a partner, are the attributes of the Innocent and the unconditional love.

Thus, without the innocent and the unconditional love playing the major role in a marriage, its success and happiness might be impossible.

The innocence, unconditional love, care and respect are the divine constructive elements that upholds the grace, glory and the integrity of a marriage.

Any marriage lacking these divine constructive elements is a false and a lifeless marriage. It is a lunatic trend and obviously meant to give birth to deceptions.

Any woman, or a wife, who tries to become a “man-like-woman” to be the “commander-in-chief” in her matrimonial home trespasses the divine norms binding a sacred marriage.

It is considered as rebelliousness against the norms abiding the sacred marriage made in the heavens meant for two beautiful souls in the human form; a man and a woman.

To be a “man-like-woman” by taking the commanding seat in marriage, you will be compelled to step on the masculinity of your husband ignorantly.

You will then degrade your husband to be a “man-like woman.” A man was given the post of a leadership in the matrimonial home. A woman was given the portion of care, and the multiplication of anything entrusted in her hands, alike to be the ‘back-bone’ of a man to assist for the accomplishing of the impossible possibility task in the life course.

Any marriage, lacking the innocent and unconditional love is a lifeless marriage. Such a marriage is under the dictates of the Ego’s mind concept. It is a matrimonial contract with bargains. This kind of a marriage is a false marriage and indeed, suicidal. The partners in such a marriage could be considered as sex partners and business associates.

A marriage under the umbrella of the unconditional love is not with bargains. It is a feeling in which you care for a partner more than yourself.

There is no harm in trying to patch up a broken marriage which is worthless. In some situations and circumstances, the effort being made to patch up a worthless broken marriage might bring forth no payable good dividends than additional pains and spiritual bleeding.

When you find yourself at the wrong place and at the wrong moments or time, all the efforts made for success is meant to create an additional double trouble. It is like facing a deadly stormy wind in life, seemingly, the whole Existence is against you.

We straighten a planted tree or flower to our desirable course before it grows. It is the same as the foundation of a marriage.

The foundation of a marriage is very significantly. To take a courageous dive into the romantic Ocean of marriage is between life and death. There are numerous hidden monster characters, alike, godliness characters, dependably of the choice you make in marriage.

Most of those unlucky ones who find themselves within these monster's characters in marriage were eating alive. Some people paid with their precious lives by the edge of the slaying sword of the false love.

Prior to the inflicting wounds of the slaying sword of the false love, there are uncountable walking corpses in the human body in the streets, absolutely lifeless. They are carrying spiritual baskets full of the burdens of the marriage in which they found themselves.

Love beautifies life. Thus, the innocence with its unconditional love creates no misery. Mankind's misery

in marriage depends on the marriage in which it finds itself.

False love and its matrimonial contract is the root cause of mankind's miseries and agonies in marriage. There is a payable dividends on whatever gift begotten from the devil.

For the sake of the rampant atrocities being caused in the name of love globally, this precious book; "How to find happiness in marriage," is dedicated to enlighten mankind, alike, to free mankind from the slaying sword hidden in the coat of the false love.

In some scenarios, mankind dig its own grave for its premature death prior to its ignorance. If you want to live, learn how to live. If you want to be successful in marriage with its bewitching happiness, learn how to engage in marriage with its desirable natural norms.

Love and sex relationships, or a marriage under the umbrella of the unconditional love is not a bargain. It is a feeling in which you care for a partner more than yourself.

Love is all that we have to share with each other to create happiness in the matrimonial home, alike, to make the world much safer and a perpetual living paradise as it is in heaven.

The Heaven is on the Earth. Such a perfect heaven on the earth is attainable only through the innocent with its unconditional love, and the sense of justice by treating a partner or a neighbor the same manner in which you want to be treated.

Love unconditionally, and you will always find happiness in marriage. The power of love is the solution to all marital problems. It is the remedy of all illness

including death itself. It is the miracle creator for the impossible possibility.

Love your partner unconditionally, and you will cultivate the qualities of gold in her, or in him for the desirable happiness in marriage. Love beautifies life. Love, Life and Beauty are inseparable. Love is all that we need to create a heavenly atmosphere in our matrimonial home. Whatever you do in your marriage, do it with love, and you will cultivate the labor of your love in happiness.

A marriage is just a documentation for security to cover mankind's fears, prior to possessiveness. A successful marriage is not based on matrimonial contract on documentations with its bargains.

Finding confidence and security in the marriage's documentation without the unconditional love and trust is a 'time-trapped' agenda.

A successful marriage and its happiness is attainable through the heart with its innocence, caring for each other, unconditional love and treating a partner the manner in which you want to be treated by such a partner. A marriage, is all about self-expression through loving-kindness, and caring for each other to forge ahead in life for the desirable happiness, and to be fulfilled in life.

I came to enrich the soul of mankind with the melodies of the heavens for its desirable happiness in life and in marriage. It is a choice, either you accept it through your given 'free-will,' or deny it. It is not obligatory.

A honest evaluation relating to the atrocities being consistently caused through the deception in marriages and in love and sex relationships is a necessity by any sage who desires a global peace and unity.

The divorce rate, giving birth to homeless children around the globe, the homeless people at the mercy of the 'dry-wash' in the divorce suits, irrelevant illness through deceptions in marriage and etcetera's; needs to be considered by mankind.

We have begotten enough mortalities from the hidden slaying sword of the false love and its corrupt manners policies hidden in the coat of the democracy.

Many generation became victims to it. Unfortunately, mankind still turns the blind eye to this crucial terms and ignorantly declares publicly some irrelevant solutions as the pathfinder to the global peace.

Whilst, the policies of the world governing democratic power is still running on the policies of the corrupt minded politics of the Ego's mindset with its false love.

Everybody has become a politician. Such filthy politics is extended to most of the marriages, associations, love and sex relationships. Prior to the policies and the politics of the false love and its matrimonial contracts, many matrimonial homes have become gallows for mankind's crucifixion.

The attainment of the global peace and unity could be possible, if only, mankind learns to live with its innocence and the unconditional love; both in the societies and in the matrimonial homes.

The innocence with its unconditional love is the solution to every problem in marriage and in relationships. It is the remedy to all illness including the mighty death itself.

The innocence with its unconditional love is the only measures for the attainment of the global peace and unity. It is also the preventive measures against the hidden slaying sword of the false love which has indeed caused a lot of casualties in the life of mankind.

The innocence and its unconditional love, the sense of justice in marriage is the only measures for the attainment of the desirable happiness in marriage.

The power of Love conquers all.
