

Just enough

Just enough will allow you to keep lying to yourself.

Just enough will allow you to keep you broke.

Just enough will keep you fat.

Just enough will keep you feeling better about weak results.

Just enough will keep the drama in place.

Just enough will allow you to keep pretending mediocrity is

Just enough will allow you to keep holding back.

Just enough will keep you worried and desperate.

Just enough will keep you playing an effort.

Just enough will keep your relationship

Just enough will keep you

Just enough will keep you
