## Summary

Struggling with your fiance visa application? The "Belgian Filipino Lovers - a practical fiance visa application guide" was written for all Belgian Filipino couples who are looking for a step-by-step guide.

The ebook idea was shaped after hearing so many stories about the problems that couples have encountered during the fiance visa application. The aim of this ebook is to explain the fiance visa process as simple and complete as possible.

This ebook aims to answer your questions about how to get married in Belgium and how to apply for the Belgian fiance visa. Depending on your skills, situation and hometown requirements small details may vary.

But with the step-by-step practical guide, you will never be lost again. With this ebook you can avoid: waiting endless months, getting disapproved, spending huge amounts on agencies, spending double costs on documents, and having hopeless discussions with your partner.

The guide is divided in nine important steps. Each step requires certain prerequisites to be able to proceed unto the next one. The ebook covers almost everything in detail: documents to prepare, where and how to submit them, what to do next once approved, tips to save time and money, pitfalls to avoid and more.

This ebook covers all steps you need to know from before the marriage, during the marriage and after the marriage. All steps are well explained and simple to follow.

Stress, worries and visa denial can be avoided with the help of this comprehensive guide. This guide can help you: to prepare ahead of time, to make applicants more confident in facing the lodging day, to make your documents ready, and it can increase the possibility of visa approval.

No time to lose, nor money to waste. Apply worry-free and look forward towards the big day. This ebook will let you focus on every step of the way.

*"But seek first the kingdom of God and his righteousness, and all these things will be added to you." Matthew 6:33*
