

Sarah
on
Holiday

Hello everyone,

This is the first book from Saartje
Basset that has been translated into
the English language.

The story begins.....

The sun shines and the weather seems nice.

Sarah wags her tail, because unlike rain, she adores the sun.

John grumbles that so much still needs to be done and Lydia sighs that everyone needs to put their best paw forward.

It's the same every year and Sarah knows that all too well.
