Part 1

Fulfil

Live up to the standards
of society,
follow every unwritten, drawn up rule
seal it at every age
and live according to the prescribed regularity.

Blame another group,
put the false facts under a microscope.

Listen to the top
listen to what everyone is listening to,
wear what everyone is wearing,
stay glued to the television.

Don't asks why
no one asks anything,
choose a screen over the sun.

Expectation requests,
ego calls!
all boxes are fulfilled.
