had not wasted so much time, and left so much money on the
table.

This is for you, to save you time and money.

Briefly summarized, this book consists of 17 strategic actions, with which you gain more profits and more free time.

Moneymaker 1.

Your company's daughters.

Give your current company a number of subsidiaries.

Offer totally different products & services.

This makes your company look bigger in the eyes of the people.

And you can generate different income streams for yourself.

Moneymaker 2.

The two things on which you Must spend your time on, everyday.

Which 2 are they? Watch TV and be on Facebook?

Without BULLSHIT, so: SALES & DIRECT MARKETING

If you sell something (sales), then profits comes into your business.

If you become good at (direct marketing), then profits comes into your business.

With marketing you save yourself time while selling. You do not have to explain who you are and what your company does.

How many hours per working day do you spend on sales?

How many hours per working day do You spend on Direct Marketing?

WHAT HAPPENS IF YOU ONLY SPEND YOUR WorkingTIME ON SALES & DIRECT MARKETING ??

Will you have more profits and therefore more money?

Sales & marketing are coreactivities of every business. If you set everything aside and just spend your workingdays on sales & marketing You'll do good.
