

Careless And Regret

Ishir and Ishaan, the two brothers who lived in Jaipur India with the best family that gave them a strong bond of love. Ishir and Ishaan were so happy being around their parents, although their mother Durga was in somewhat a bad health, but they did not know what was going on with their mother. Durga was the best mother, she did everything to make her family happy especially Ishir and Ishaan. Ishir and Ishaan went to the same school, and they loved and supported each other all the time, Although the older brother Ishaan used to be late to school every single day and that had bothered his teachers a lot and they sent a notice with Ishir to his family requesting them to go to school and meet with teachers. Ishaan was so scared to go and told his mother Durga “mom I am sure that they are going to kick me out of school, and I don’t want to go there tomorrow because I am so scared from the decision.” His mother calmed him and tried to help him worry less. When it was finally the morning Durga woke her kids and husband up and gave them breakfast, although the father Akash had to go to work and he couldn’t go to school with his wife, so Durga had to go with the kids by herself. Ishir went to class and Durga took Ishaan to the principal’s office, as they say down the principal and the teachers explained what was going on, and Durga said, “I know about all of this, Ishaan is the nicest kid that you can ever meet, he is always late to his school because we don’t have enough money to buy both of the kids school clothes and not wanting Ishir to miss out on work Ishaan gave him his clothes had to wait for Ishir his few morning classes so he come back home and give Ishaan his clothes back, so since you knew why Ishaan is doing that what is your decision.”

After hearing what the mother said the principle and the teachers got so emotional and apologized to Ishaan. Ishaan was so sad and asked his mother if they can leave, he did not want to stay at the school in which it had unjust him and wanted to kick him out of school and more importantly he did not want his mother begging them and say sorry for something not even their fault. Few days past and Ishaan was not going to school, and one day in the evening one of the school's teachers visited them and got Ishaan so many gifts and begged Ishaan to get back to school and Ishaan did agree, and the mother thanked the teacher for helping him take the right decision. Although little did, they know that same day the mother had fell into the hole of death, while Ishaan was talking to his teacher his mother Durga fell and never got up, after the teacher left Ishaan went inside the house and saw his mother laying there. Ishaan got closer to her and sat by her side and said, "mom, are you okay, no mommy stop joking with me please, wake up, MOMMY NO DON'T go." The father came back home from work and heard Ishaan yelling as loud as he can and at that time Akash had dropped everything that he was carrying and ran inside, saw wife laying dead on the floor. He held Ishaan and started crying for so long and forgot that Ishir was still at school. Ishir waited and when he saw no one from his parents he started walking home, as he reached the house and saw his mother dead, he couldn't stay he ran away.
