My name is Chin and this is my story...

Schwarzental. A quiet and peaceful town, in a valley between mountains and forests.

A beautiful and pleasant place to live.

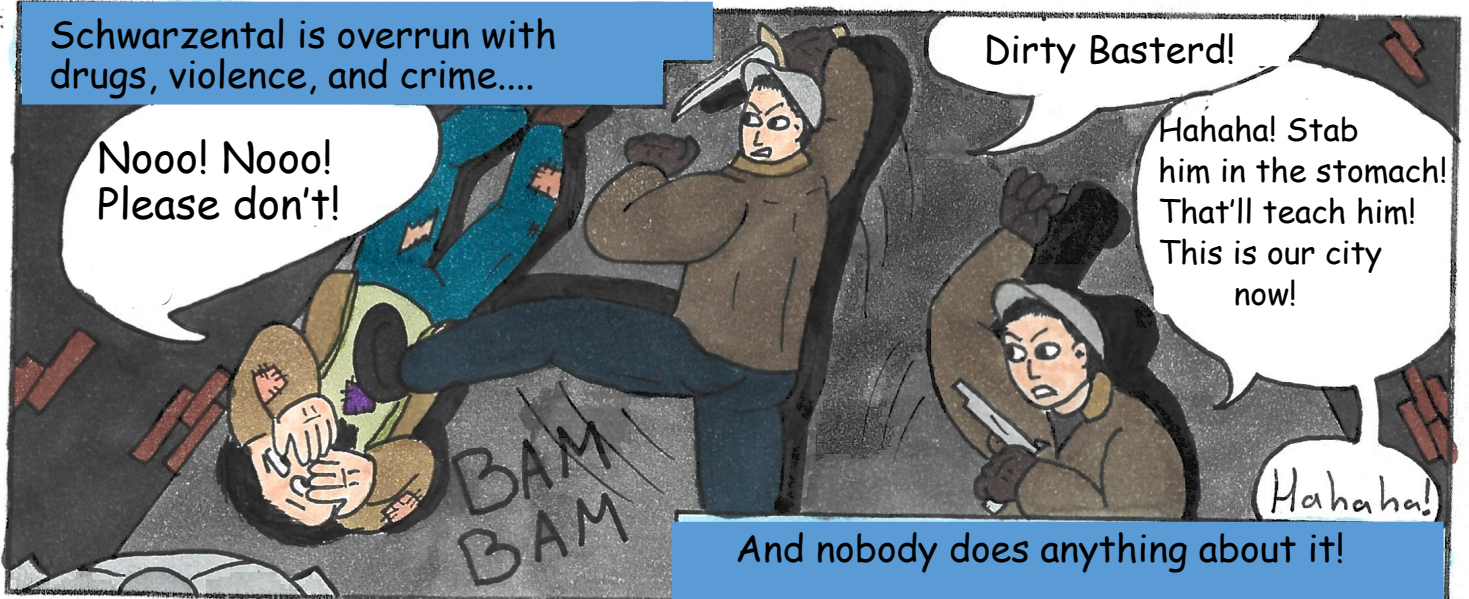

It used to be...

Not so long ago...

...But not anymore!

Schwarzental is overrun with drugs, violence, and crime....

And nobody does anything about it!

Police, City Officials, they allow anything.
They don't do anything.

As if nothing is wrong!

Drug gangs terrorize the city.

Crimes, addicts, homelessness, violence on the streets.
Everything has risen rapidly in the city in a short period of time.

Nobody intervenes.

Quick!
Get out of here!

And if the police comes..
It's like a show, an act.

What happened?

Who or what is behind this?

Why?

Hahaha!
Bleed to death junk!

I can no longer watch as if nothing happened.

... Help...

If no one does something, I will!
