I'm not drowning
When I'm with you

I'm drowning
When I'm alone

Right now

I spend
My days
Dreaming
About you

Scared
To lose
The most beautiful person
In my life
You

Hold me tight
Don't let go
I wanna smell you
One last time

Why can't you get
Out of my mind

Our love was destined
To become destroyed

I'm tired
Of trying
Fighting
Hoping
It will get better
