# A mosaic Journal

Roads in front of us.  
Splitting, two sides  
Not knowing which side to go  
The road we stroll on  
Is good, feels good  
Right now, right here

Feeling that this time  
We chose the right direction

And now non-stop working  
On our road to more and  
More freedom  
Together we'll be strong  
And safe!!
