With a comedic air as light as a feather,  
I jestingly declare,  
'Behold, for I am the epitome of hilarity...  
said no one ever, especially not I!'

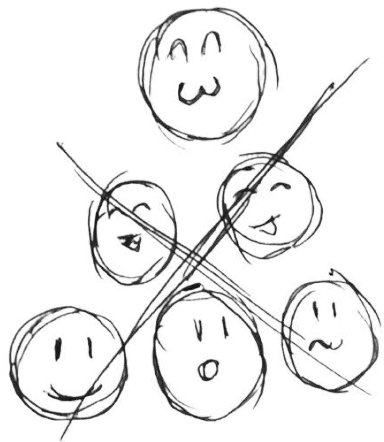

As a solitary data point, I recount my tale,  
A fragment of existence, within a greater scale.  
Through my lens, a glimpse of truth I may impart,  
Yet humbled by the vastness of knowledge's infinite chart.

In life's arduous journey,  
as tribulations weigh,  
my resilient nipples stand firm,  
unyielding,  
amidst the fray.

I do not think I am completely useless.  
However, I do believe I can always be used as a wrong illustration.

My body,  
my choice?  
How about my body,  
your choice?

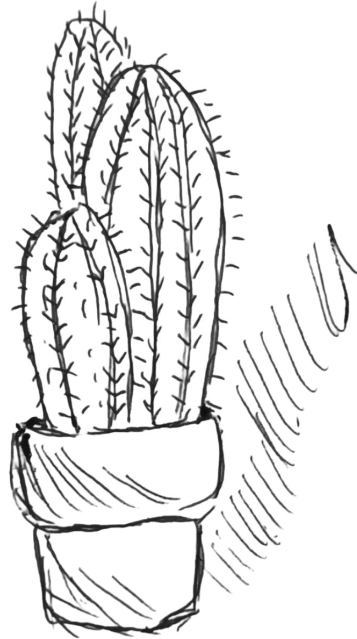

Awakened from my sleep,  
I wondered how people manage this daily  
grind.

Applied my make-up,  
and headed to University,  
isolated and unseen.

Alas,  
a day wasted,  
my makeup untouched  
by eyes or conversation.

Frankly,  
it is just an awful day.  
Luckily,  
it is not an awful life.

You uderstand.

In my humble view,  
let all souls savour morning's embrace with  
waffles bestowed and amorous delight,  
a feast to nourish hearts and appetites.
