Hello all,

We are at Motje's castle near Curved  
city

There was a nice party yesterday, but  
short,

The food was very well-made by  
Cookie with help from Eggy Pointy  
Hat, who often helps.

'Today we can go to the zoo if you  
like!' Says Moth. The Mad Mister asks  
if they can see the castle first. A few  
friends haven't seen anything yet,  
only been in the ballroom. That's not  
much.
