YOU KNOW MY NAME ALREADY: ZOË  
I HEARD YOU LIKE MY STORIES. I'LL TELL  
YOU SOME MORE IN THIS BOOK

Do you remember that in my previous adventure story I told you that I was a bit too fat, according to the vet.

Just look at my neighbor. We are both the same age, can you imagine.

She's skinny compared to me. Do you think I am too fat?

## FOLLOW ME ...

You can best compare our bellies on this picture. What do you think? Am I not perfect?

If I participate in a beauty tournament, I will definitely win the first prize. Don't you agree?

If you do not agree with this, you may not continue reading the book. Just put it aside. We will never talk to each other again.

What do you say? Zoë is the prettiest?

I knew it. OK You can continue reading.

**DAY 1  
PICTURE NR 1**

Do you remember that I told you that I had a lot of influence regarding the use of cargo bikes for and by dogs? Other people are starting to follow my example and now put their dogs in a similar Speedy Gonzales bike to explore the world.

Here you see one of my friends who now also comes to the dog park in such a bike. But I was the first. Remember this, folks.

**DAY 1  
PICTURE NR 2**

When we go for a long drive, I regularly take a nap.

**DAY 1**  
**PICTURE NR 3**

And every time they wake me up, I make a face like *“who the fuck is waking me up? I was having a nice nap”*.

**DAY 1  
PICTURE NR 4**

People talk a lot about cats and dogs. We wouldn't get along with cats, but that's total nonsense. I have many contacts in the cat world. My best contact is this cat. He calls Diesel and lives with three dogs. A real topper. They call him the mayor of his street. He is waiting to greet me every evening.

**DAY 1**  
**PICTURE NR 5**

Black Diva is another contact of mine. She lives in the same street as Diesel. She is always jealous when Diesel gets too many pets. Then he always comes running and sometimes they argue.

**DAY 1**  
**PICTURE NR 6**

And this is Sheba. She lives in the same neighborhood just down the road, near a bridge. She always walks towards us and asks me many questions about the dog world while I am sitting in my carriage. That's why she's looking up here in the picture.
