INTRODUCTION

Welcome to this 21-day joy journey toward strength, healing, and wholeness! If you're here, you might be dealing with sickness, fatigue, or just a heavy spirit. Life's struggles, especially physical ones, can weigh us down, making joy feel like a distant memory.

But remember this powerful truth: "The joy of the Lord is your strength" (Nehemiah 8:10). God's joy is not just a nice feeling; it's a force, a source of strength, and a pathway to healing.

Scripture tells us, "A merry heart does good like medicine" (Proverbs 17:22). Laughter, joy, and positivity are gifts from God meant to uplift and sustain us. Science even shows that laughter can boost immunity, reduce stress, and improve physical health.

Amazing, right?

So, over the next 21 days, let's commit to building up joy in our lives step by step, with assignments designed to help you laugh again, reflect on God's promises, and celebrate each day's small victories. By the end of this journey, may your heart be lighter, your soul stronger, and your body energized by the joy only

God can give.
