HINDU RITUALS AND SPELLS

The background is a light beige color with a subtle, repeating pattern of Hindu symbols and floral motifs. In the center, there is a large, faint circular emblem containing an 'Om' symbol. Surrounding this are various other symbols: a trident (trishula) in the upper left, a lotus flower in the upper right, a small pot (kalash) in the middle right, and another lotus flower in the lower left. There are also several smaller 'Om' symbols and floral designs scattered throughout the background.
