

Just a normal duck no  
reason,  
No murder mutation or  
treason.

he just wanted it so much,  
so we let him in the hutch  
Just a normal duck,  
his singing doesn't suck.

Qc ack!!!

This duck sticks to stuff,  
it's life is quite ruff.

Sticks to walls and the floor,  
it doesn't want to stick  
anymore.

A lollipop is stuck to his  
chin,  
him eating it chances are  
thin.

This ducks wrapped in  
tortilla,  
just keep the spices near.  
Although he is beginning to  
eat ,  
his guacamole and his  
meat ,  
there's a taco inside his  
heart,  
unless he has eaten that  
part.
