

Travel Through Colour

Cozy Moments to Colour Across
Italy

by Pineview Studio

This book is an invitation to slow down.

Travel Through Colour – Cozy Moments to Colour Across Italy is more than a book; it is a quiet escape. Wander through 60 illustrations that capture the soul of ten iconic Italian destinations –from the timeless streets of Rome, Florence, and Siena to the romantic canals of Venice and the sun-drenched Amalfi Coast.

These pages act as a sanctuary from the rush of daily life. Here, you will find cities without crowds and landscapes without noise. Discover the hidden corners of Milan, Pisa, Verona, Bologna, and Naples, observing them gently, one shade at a time.

There are no rules here. Open the book wherever your heart leads you. Whether you have five minutes or an hour, let the lines guide your focus and the colours follow your mood. If you prefer the boldness of markers, simply slip a blank sheet behind your page to keep the magic contained.

This is not about perfection. It is about presence. It is the simple pleasure of creating something beautiful with your own hands.

Breathe. Create.

Take your time.
