Disclaimer

This book discusses the use of phentermine and related lifestyle practices. The information presented is based on general knowledge, publicly available information, and practical guidance intended to support informed discussions with qualified professionals.

This book is **not medical advice**.

Readers should consult a licensed healthcare provider before starting, stopping, or changing any medication, diet, or exercise program. Individual needs and responses vary, and only a qualified professional can provide guidance tailored to your specific situation.

The author and publisher disclaim any liability for any direct or indirect loss, damage, or injury resulting from the use or application of the information contained in this book. Any references to side effects, benefits, or user experiences are provided for general awareness only and should not be interpreted as a complete list or as predictive of individual outcomes.

By reading this book, you acknowledge that you are responsible for your own decisions and actions.

Table of Contents

I N T R O D U C T I O N	7
