### **Disclaimer**

This book is intended for educational and entertainment purposes only.

The stories, characters, situations, names, dialogue, and humorous scenarios contained in this book are fictional or creatively adapted for educational storytelling purposes. Any resemblance to actual persons, living or dead, events, organizations, or talking geese with anger-management problems is purely coincidental.

Vocabulary explanations, memory tricks, pronunciation guides, and learning activities are designed to support language development and reading enrichment for children, families, classrooms, and homeschool environments. While every effort has been made to provide accurate definitions and educational content, this book should not be considered a substitute for formal academic instruction, professional educational assessment, or official dictionary references.

Parents, guardians, teachers, and caregivers are encouraged to guide young readers according to individual learning needs and reading levels.

## **Non-Affiliation Statement**

This book is an independent educational work, it is not affiliated with, endorsed by, sponsored by, or associated with any other publisher, author, educational institution, brand, trademark owner, literary work, or previously published vocabulary title.

All trademarks, product names, and referenced brands mentioned within this book remain the property of their respective owners. Any references are used solely for descriptive or educational purposes.
