## Early Life & *Childhood*

Discover the beginning of Michael Jackson's amazing journey, his family, his early years, and the moments that shaped the King of Pop.

# DID YOU KNOW?

01

Michael Joseph Jackson was born on August 29, 1958, in Gary, Indiana, a small industrial city near Chicago.

02

He grew up in a busy family home with many brothers and sisters, where music was always part of daily life.

03

His mother, Katherine Jackson, loved music and encouraged her children to sing, helping create a musical atmosphere at home.

# DID YOU KNOW?

04

His father, Joseph Jackson, noticed the children's talent and helped organize their practice sessions and early performances.

05

Michael showed a natural sense of rhythm as a child, often copying dance moves he saw from older performers.

06

Even before fame, Michael was known in his family for his sharp memory, quick learning, and powerful stage energy.

# DID YOU KNOW?

07

He began performing with his brothers when he was very young, turning family practice into serious musical training.

08

The Jackson children practiced for hours, learning songs, harmonies, dance steps, timing, and how to perform together.

09

Michael's voice stood out because it was expressive, emotional, and surprisingly strong for someone so young.

# DID YOU KNOW?

10

As a child performer, he learned how to connect with an audience through movement, expression, and confidence.

11

Before becoming world famous, Michael and his brothers performed in talent shows, local venues, and community events.

12

His early life was not only about singing; it also included discipline, hard work, rehearsal, and constant improvement.

# DID YOU KNOW?

13

Michael learned early that success on stage required practice, focus, teamwork, and the courage to perform.

14

The lessons he learned during childhood later helped him become a creative singer, dancer, and entertainer.

15

His childhood experiences shaped his love for music, his perfectionism, and his desire to create unforgettable performances.
