PREFACE

This is the place where I tell you how the writing went, right? Maybe I can even offer a few thanks here and there. Who knows...

After deleting a lot of freshly typed text, I decided: my life story doesn't have to be written perfectly.

Yes, I want to do my story justice, but just like this book, the power to tell it is beautiful enough. So, thanks to all the people who encouraged me to write it without guilt, without fear, and especially without too many spelling mistakes.

Oh yes, this book is also partly to brag about my “poetic powers,” so thanks, Dylan, for your artistic brain. (Normally I don't speak in the third person, I swear.)

Hi, it's me again. This is a translated version of the original book. I've made some changes here and there. If you ever see a piece of grey text, that's future me giving some more “insights” and “depth”.
