SAMVADAM AKSARAT PRAKRTIM

**Prasta anupasyati pu jaarhau ca avyayam

The message of the infallible nature

**The person who correctly and respects the
imperishable wisdom and mystical power
and sees the wealth of Vishnuh as the
highest honor for nature is so elevated
above the material modes, reached the
highest goal of life, and become immortal.**

“

SAMVADAM BHAVISYATAM SAKHYUH

Nistha kvacit yat te pitarah pura anvitah
krta, balam, jnanam ksama ca
prasiddhyet.

Ichami iti yuktam avyayam
samudbhavan ayam Visno sa te cetena, ca
iti tarisyasi rane.

(Translation)

Thus said the teaching of Vishnuh:

*" We have pledged mother nature to beat
the gods, if they exist, and not have
compassion for them because they have
brought only misery and disorder since
time immemorial for all life on earth."*

What follows is harsh but true!

**India is the land of yogis and saints and blessed
by the blue gods, in which human rights**

violation and humiliation of women arose with the advent of Hinduism.

First, we must diagnose the rape epidemic and determine through thorough observation of the symptoms by analyzing the aspects that are the cause in India from the rape virus.

... Anyone who lives in India understands without a doubt the belief in God and the culture of their own people who commit these brutal crimes. As part of their multi-theistic belief is rape and incest glorified in the Vedas and illustrated by their fanciful blue gods.

... The most irrefutable facts showing that Hinduism is reprehensible, are calibrated to the Vedas to justify the heinous crimes of incest and rape as a "holy act". This was no doubt a result of the strict practice of brahmacharya (celibacy), created and legalized by the masses of starving sexually psychopathic sadhus. It is these silly idiots, so-called Brahmins, and Sadhu, which motivated and committed legalized incest and rape and Hinduism for centuries perpetuated with the help of the interested elite class of that time.

Thus, the contemporary Hinduism is completed with all her backwardness and detestable things...

... Indeed, the Vedas recommends incest and rape as a kind of marriage. In the Holy Puranas, Lord Brahma raped (also known as Viraj) his 6-year-old daughter Sarasvati (also known as Padma or Savitri or Satarupa.)
