**THE HISTORY OF WESTERN COUNTRIES, FILLING
WITH MASSACRES
AND EXPLOIT.**

Preface

Turkey and the strengthening of Islamic identity and the coming to power of the Muslim rulers of the movement is growing stronger by living a soft revolution. These developments are being followed with concern by Western powers and dominated against a team to Turkey in political, economic, military and mediatic operations are carried out. Anti-terrorist struggle is even the use of force against Turkey being transformed into political issues. The Armenian Issue to damage the reputation of Turkey's efforts are being made to appear as a genocide. In particular, the countries accusing Turkey of genocide is genocide existing files rather fluffy. Nobody should forget that Muslims can not commit genocide because of their beliefs. The Muslims of the Ottoman Nation, a Muslim nation, have been living peacefully and peacefully for six Hundred years. The event that took place in the First World War is a deportation that occurs within the conditions of war. efforts of Turkey to the Western imperialist powers also consists of attempts to portray themselves as criminals.

GENOCIDE: INVENTION OF WESTERN COUNTRIES

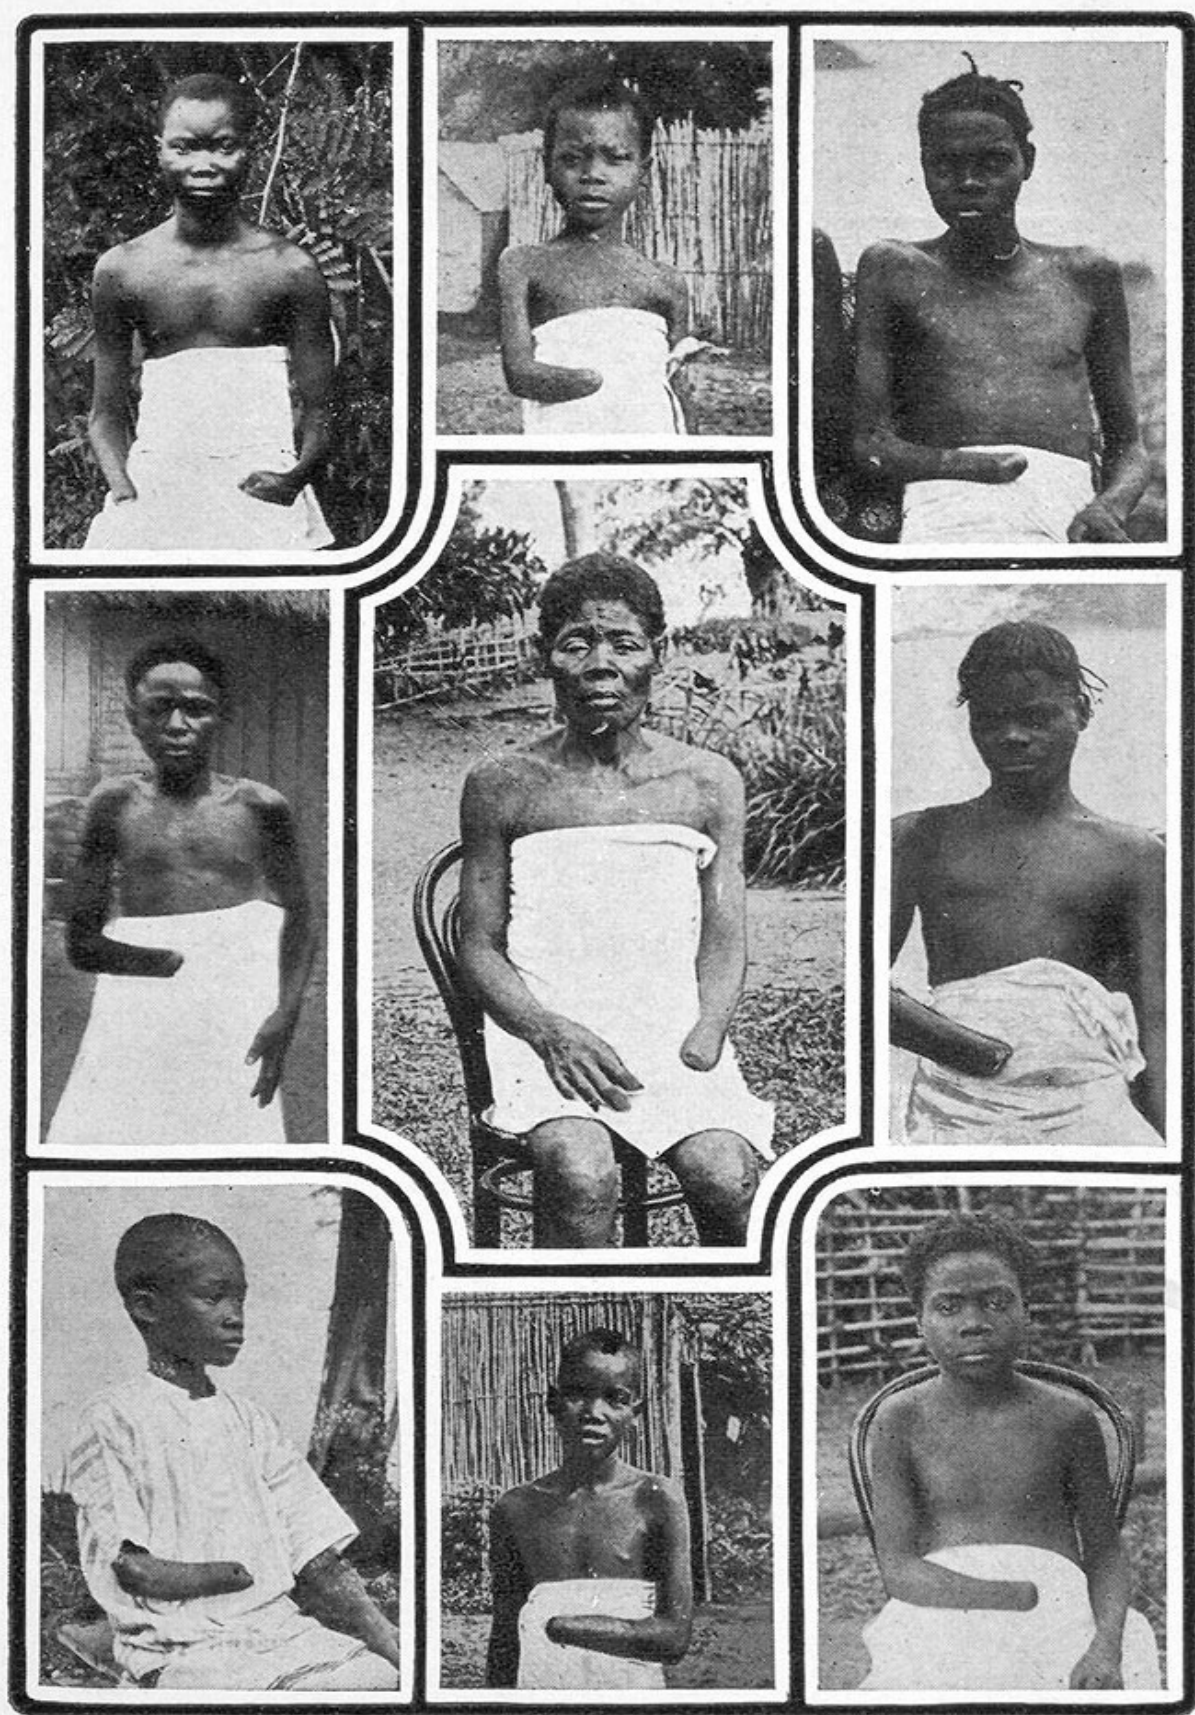

Today the Armenian incidents in Ottoman times, bringing up the history of Western countries working to make political operations against Turkey consists of almost blood and tears. Here is the information that lowers the horror of the genocide history of the country Europe and America.

BELGIUM 10 MILLION PEOPLE MURDERED IN CONGO

Between 1890 and 1905, only about 10 million locals were killed in the Congo. King of Belgium II. Leopold's men cut off the hands of the children who did not want to be slaves, smothered their hairs and kept them in sight by 60 Belgian "officers" who did not want to work on Sundays.

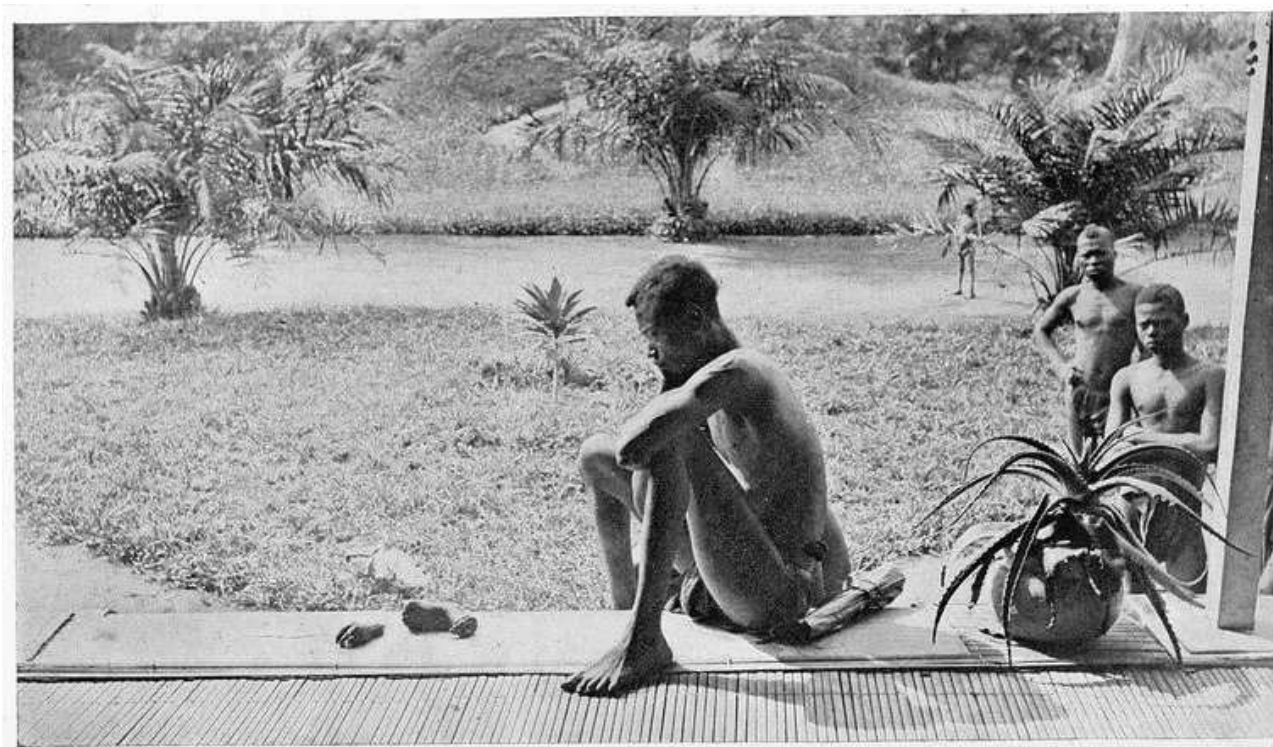

The children of the Congo who were hands cut off by the Belgian Soldiers because they could not collect the rubber in the required amount.
