Introduction:

Donald Trump is the most powerful man of the strongest nation on earth. For a number of years I have been studying American and Jewish history, social studies and politics in the light of the Bible. America was founded by God to be a safe haven for Christianity and to be a protector for the nation of Israel.

I was particularly intrigued by the sudden emergence of Donald Trump, He seemed to come from nowhere, knocking over all the republican candidates who fought with him to be nominated for the Presidency by the republican party. He held massive rallies instead of focusing on door-knocking and get-out-the-vote operations. Mr Trump ran the most unconventional of political campaigns, but with God's help he performed better than all the experts.

I made lot's of astonishing discoveries about this President in the light of the Bible. It turns out that Donald Trump's "sudden" rise had long been timed and intended. By people?, no chance! In my exploration I was able to discover that Donald Trump is, as it were, is immersed in bizarre combinations of Biblical numbers.

How about Donald Trump was born exactly 700 days before Israel was founded, May 14, 1948? On his day of birth, June 14, 1946, a blood moon over was visible over Israel at the same time. Donald Trump's age on inauguration day, January 20, 2017, was exactly 70 years, 7 months and 7 days. Can this be considered a strange coincidence? Or may we see in this the hand of an Almighty Creator who weaves his beautiful patterns through time? Could it be that by His power Donald Trump is appointed to lead a nation in challenging times?

In [Isaiah 46:10](#) we read: "Declaring the end from the beginning, and from ancient times the things that are not yet done, saying," My counsel shall stand, [and I will do all My pleasure](#)".

In this I may deduce that God has a firm, strong and leading hand in the world events. This book takes you on an exciting journey of discovery that God is working through history to complete His plan of redemption for mankind. The Bible, God's infallible Word, provides a clear answer to the question of whether Donald Trump is God's elected president.

In addition, from a biblical perspective, Donald Trump will win the upcoming presidential elections with 100% certainty.

From a human point of view, the chances for Donald Trump to win the elections again seem worrying at the moment. He is still recovering from his coronavirus infection and Jo Biden is leading the polls steadily. But don't get upset, God has given a modern prophet, Mark Taylor, a prophecy that Donald Trump would govern for two terms.

It turns out that God works everything out to perfection and that His timing on world events is perfect. Even timing the giving of a prophecy to the prophet Mark Taylor! On April 28, 2011 Mark Taylor received a prophecy titled: Commander in Chief. Here I quote a small part of this prophecy:

"The Spirit of God says, I have CHOSEN this man, Donald Trump, for such a time as this. For as Benjamin Netanyahu is to Israel, so shall this man be to the United States of America! For I will use this man to bring honor, respect and restoration to America. America will be respected once again as the most powerful and prosperous nation on earth."

** End Quote **

If we now count the number of days from receiving this prophecy to election day 3 November 2020, we arrive at a total number of **3478** days, that is the same as **777 +** the numerical Hebrew value of Genesis 1:1; "In the beginning God created the heavens and the earth" = **2701**. The Bible verse Genesis 1:1 refers to God's creative omnipotence and power, to His total control over the world events. After all, He created everything. In short **3478 = 2701 + 777**.

777 also refers to the triune God. So it strongly seems that God has connected His Great Name to the coming elections and that His "David", Donald Trump, will win the elections again with His help.

How about that? You already know the world news before it is actually world news! Isn't that entertaining? While the democratic camp is throwing everything into the struggle to push Joe Biden to the presidency, the outcome has long since been decided. By reading this book and understanding God's omnipotent plan of salvation that is interwoven in time, it becomes much more relaxing for you to watch the upcoming media spectacle.

Shouldn't you go and vote because the outcome has already been decided? Certainly not! You can add to God's Glory by giving Donald Trump more mandate by voting for him! God, by appointing Donald Trump as leader of the nation wants to strengthen his church.

Do realize, these next four years a lot will happen on the world stage. You live in a world that is changing at a rapid pace. These four years are additional years of relative grace and freedom to root in Him and growth in faith. Please use that time well. And do not let this precious time fly by because of the delusion of every day. In this book you will see amazing facts about God's agenda throughout History and the timing of Trump's appointment as leader of this country. Facts you haven't heard or read about before.

By reading this book, you will most likely come to the conclusion that we are dealing with a God who is neither slumbering nor sleeping but is fully awake and with a mighty arm carrying out His plan. It will profoundly change your view of the coming world events as it turns out that we are dealing with a God who is in super control!

Psalm 121: 4 He who watches over Israel never slumbers or sleeps.

With the beautiful divine patterns that God has woven through time, you can also show your family, friends and loved ones that God is a very involved God. The information in this book gives a reassurance that everything will be alright, there is certainly a struggle, but the victory in the elections has long been determined. Donald Trump will be miraculously re-elected as president of America and will serve for another four years.

Enjoy reading!

Growing in knowledge, power & faith

In 2008 I started to get hungry for God's Word. The old prophetic books that I used to read came over in my younger years as books in which a lot of misery was described. At that time God seemed to me to be a vengeful God. But in a later phase of my life these books were, as it were, opened up for me. I discovered that God waits as long as possible to bring judgment. And that if God's prophets are persistently not listened to, and the people persist in a wrong way of life, that unfortunately in the end there is nothing else for God to bring correction by means of judgment. And that judgment is first mixed with grace. And that even then God still gives the possibility to prevent or soften further judgment.

"... But You are God, ready to pardon, gracious and merciful, **slow to anger**, abundant in kindness ..." ([Nehemiah 9:17](#))

"The Lord is merciful and gracious, **slow to anger**, and abounding in mercy." ([Psalm 103:8](#))

"Return to the Lord your God, for He is gracious and merciful, **slow to anger**, and of great kindness ..." ([Joel 2:13](#))

"The Lord is gracious and full of compassion, **slow to anger** and great in mercy. The Lord is good to all, and His tender mercies are over all His works." ([Psalm 145:8](#))

The great commision:

I was allowed to discover that God is an abundant communicator but also a hidden God.

Isaiah 45:

¹⁵ Truly You are a God [who hides Himself](#), O God of Israel, the Savior.

The fact that God operates in secret does not mean that He is less diligent, certainly not. I got to know God as a very diligent God who knows how to dot the i's and cross the t's very well. He also looks for people who want to be completely devoted to Him. Dedicated, to be able to work effectively to build His coming kingdom. People who are completely dedicated to Him He will support them to fulfill their task on this earth as we can read in [Chronicles 2:16](#).

2 Chronicles 16:

⁹ For the eyes of the LORD move to and fro throughout the earth that He may strongly support those whose heart is completely His.

In the Bible we find a beautiful inspired Psalm of David, Psalm 139. In it we can read that God knows us fully and knows our walk of life. Where we go and where we stand, what choices we make. In addition, this psalm testifies of His almighty protection and His providence in our personal situation.

Psalm 139:

¹ O LORD, You have searched me and known *me*.

² You know when I sit down and when I rise up;
You understand my thought from afar.

³ You scrutinize my path and my lying down,
And are intimately acquainted with all my ways.

⁴ Even before there is a word on my tongue,
Behold, O LORD, You know it all.

⁵ You have enclosed me behind and before,
And laid Your hand upon me.

⁶ *Such* knowledge is too wonderful for me;
It is *too* high, I cannot attain to it.

⁷ Where can I go from Your Spirit?
Or where can I flee from Your presence?

¹³ For You formed my inward parts;
You wove me in my mother's womb.

¹⁴ I will give thanks to You, *for I am fearfully and wonderfully made;*
Wonderful are Your works,
And my soul knows it very well.

In verse 14 it says that you have been made wonderfully and God-fearing. This is God's intention, His great desire is that you choose to be connected with Him. God-fearing means nothing but awe and love of God's holy will, one who keeps His commandments, a loyal follower of Christ.

God has skillfully woven you into the womb of your mother in order to live God-fearing on earth in connection with Him.

If you choose to go through life this way, with Him, then you will come to your full potential and nothing is impossible! Then you can lead a glorious life which is full of meaning, for you and also for your loved ones.

But He does want you to really choose for Him and not try to serve two masters...

Matthew 6:

²⁴ No one can serve two masters; for either he will hate the one and love the other, or he will be devoted to the one and despise the other.

You cannot serve God and mammon [money, possessions, fame, status, or whatever is valued more than the Lord].

What I was allowed to learn is that God desires intensely to have a relationship with you and He wants to involve you in a practical way in His plan of salvation for this world, to build and strengthen His body, to add new members to His church.

This is a very noble and great task that I hope can be entrusted to you. It is very valuable if, by reading this book, you will be more motivated to understand that God is a very active God who builds His kingdom and He wants to engage you for that purpose. Not to observe in a passive way what God is doing, but to actively participate in the realization of His plan of salvation!

Donald Trump a introduction:

Donald John Trump (New York, June 14, 1946) is the 45th president of the United States since January 20, 2017. Trump belongs to the Republican Party. The amazing thing is that he never held a political office before his presidency. By profession he was an entrepreneur, mainly in real estate. Not many people may know that Donald Trump is also a writer and has published a series of books with as central themes, how to get rich, how to build a financial empire, think big, don't give up, stand your ground, and get good deals out of a situation. That's why he's also a fighter, someone who doesn't give up easily and can fight back hard. Years of strong business have also shaped him to resist the democratic pressure to get rid of him.

In a nutshell a very short piece of history about his origins:

Donald Trump is the son of Fred Trump, a real estate developer from New York. When Donald Trump attended the University of Pennsylvania's Wharton School, he already worked for the company of his father and grandmother, Elizabeth Trump & Son, the forerunner of The Trump Organization. He officially joined his father's company in 1968. He took control of the company in 1971 and changed the name to The Trump Organization. Through his promotional efforts, career, appearances in media and books, he became a media personality in the United States. On June 16, 2015, Trump officially applied to be candidate for the position of President of the United States on behalf of the Republican Party. On Twitter he posted his personal slogan: Make America Great Again. During the primaries he defeated Jeb Bush and Ted Cruz. After Cruz and Kasich left the race for the nomination at the beginning of May 2016, he was the only remaining candidate for the republican party. On July 20, 2016, Trump was officially nominated as a presidential candidate on behalf of the Republicans and accepted the nomination the next day. Shortly before the elections, Hillary Clinton was ahead in most polls. However, on November 8, Trump won against general expectations in the important states of Florida, Ohio, Pennsylvania and North Carolina, among others. With this victory he was sworn in as president on January 20, 2017.

Donald Trump appointed to be President for such a time as this

In short, Donald Trump made an unprecedented entry into the political arena. He made short shrift with his opponents. And as the icing on the cake, in the last hours of election day, one state after another changed from red to blue. The democratic camp was stunned, how could this have happened? Triumphantly Donald Trump gave his victory speech. and finally Hillary had to give her defeat speech. As legally elected president, Donald Trump crossed the dark agenda of the "democratic" camp. And made a start on bringing the United States back to God's eternal values. But it was not under his own steam that Donald Trump won the elections. God had timed everything carefully in advance and established him as the leader of the nation. And these things are also mentioned in the Bible that it is God who establishes and removes kings.

Daniel 2:

²⁰ Daniel spoke up and said, "May the Name of God be blessed from everlasting even to everlasting, to Whom are wisdom and might.

²¹ And He changes the times and the seasons, **He removes kings and sets up kings;** He grants wisdom to the wise and knowledge to those who know understanding.

This turnaround in leadership should not have taken much longer either, eight years of Obama Administration had already damaged a lot when it came to keeping biblical commandments. Therefore, God had carefully chosen a man after His heart and appointed His "David" for such a time as this. Also in the Bible we can read that God sometimes puts people in influential positions to use them in crucial times to protect the people in difficult times, This was the case of Ester appointed queen to protect the people of Israel, who were in exile, from the nefarious plans of Haman.

Esther 4:13-14

¹³ Then Mordecai commanded to answer Esther, Think not with thyself that thou shalt escape in the king's house, more than all the Jews.

¹⁴ For if thou altogether holdest thy peace at this time, then shall there enlargement and deliverance arise to the Jews from another place; but thou and thy father's house shall be destroyed: **and who knoweth whether thou art come to the kingdom for such a time as this?**

Donald Trump his deeds:

On the internet or in published material (books, journals and magazines) an incredible amount can be read about who Donald Trump is, or what people think he is. This book doesn't focus so much on who he is as a person, it doesn't try to crawl into his head and leave a person analysis on him. What I do find important and want to underline are his actions, and especially what he has done for the united states. And further for America's most important ally, Israel.

Let's give a brief enumeration:

President Donald Trump addressed the annual March for Life Friday on January 24, 2019 telling pro-life demonstrators that he is an advocate for the right to life of unborn children, and calling for a federal prohibition on late-term abortion. The president spoke about his administration's record on abortion policy and criticized Democrats at the state and federal level for their positions on human life. He is the first president to attend in person the March for Life, which began in 1974 and has become one of the largest annual political events in the country.

He recognized Israel's sovereignty over the Golan Heights By signing a presidential proclamation on March 25, 2019. The directive made the United States the first country, other than Israel, to recognize Israeli rather than Syrian sovereignty over the Golan Heights region. The Golan Heights are widely viewed as Syrian territory under Israeli military occupation.

The proclamation was seen as a political gift from Trump to help Israeli prime minister Benjamin Netanyahu's bid in the legislative election to be held two weeks after the recognition. The proclamation was criticized by those who had previously been critical of Israel's recognition, with Syria calling it a "blatant attack" on its sovereignty and territorial integrity.

Trump & The Wall

One of his election pledges was to give America back security and safety. To this end, Trump worked hard to build a border wall between Mexico and the United States in order to stop illegal immigration from Mexico and the sex traffic and gangs that threatened to flood the country. In itself, it is exceptional that a politician can go to great lengths to keep his election promises, and certainly if you look at the formidable opposition of the democrats, they have done practically everything in their power not to free up budget to build/strengthen the wall between Mexico and the united states.

And now we are approaching the elections of 2020. In the light of the upcoming election it is important to quote a promise of God, read Genesis 12:1-3, in this God makes a promise to Abram that he will become a great nation and will be blessed. Furthermore God promises that he, who will be a blessing to Israel, will also be blessed by God. Considering Donald Trump's policy towards Israel, we can be confident that that blessing will result in a second appointment as president of the united states of America for another four years.

Without God's Holy Spirit who is a Comforter but also strengthens and supports, even Donald Trump would not be able to withstand the almost irresistible pressure of the global "elite". This global "Elite" is a group of rulers who operate shady behind the scenes and certainly don't care about the interests of America. It is not for nothing that Donald Trump is ridiculed in all sorts of ways and portrayed and blackened as a misogynist and abuser of women. But fortunately, behind Donald Trump is someone who is infinitely bigger and stronger than the world rulers who are trying to carry out the agenda of the kingdom of darkness. This may sound very far-fetched and conspiracy-like.

But let's take a look at the Bible, God's Word, we read the following in Ephesians 6:

Ephesians 6:

¹² For we are not wrestling with flesh and blood [contending only with physical opponents], but against the despotisms, against the powers, against [the master spirits who are] **the world rulers of this present darkness, against the spirit forces of wickedness in the heavenly (supernatural) sphere.**

Here it is clear to read, next to the Kingdom of God there is an opposing Kingdom of darkness. But God always has the upper hand.

I am convinced that Jeremiah 15 verse 20 also refers to Donald Trump. If we fill in Donald Trump in that verse instead of you, we can read that God will make Donald Trump into a strong copper wall.

Yirmiyahu - Jeremiah - Chapter 15

²⁰ And I will make you for this nation into a fortified copper wall, and they shall fight against you but they shall not prevail against you, for I am with you to redeem you and to save you, says the Lord.

And yes there will be attacks from the kingdom of darkness directed against Donald Trump. But they will not prevail. God also gives a clear hint that it is precisely Donald Trump who is commissioned to build a wall on the border between Mexico and the United States to curb the influx of all kinds of scum and unwanted immigrants. It is not the case that the United States is intolerant of receiving needy people and integrating them into society. But it has to be done in a controlled and regulated way, so that as a nation you don't drown in an endless stream of refugees. Especially if a significant proportion may very possibly consist of gangs, malefactors and persons involved in sex trafficking.

Time for change, a new period is dawning.

After eight years of Obama administration it was spiritually sad with America, Christian freedoms had been curtailed. Same sex marriage was legalized, Abortions were promoted. And the dark practices of Planned Parenthood flourished. I refer briefly to an interesting news item that was posted on the Foxnews website in July 2020. These are testimonials from tissue providers of Planned Parenthood of still living organs (beating hearts) of aborted babies. The headline of the news item is: Testimony from Planned Parenthood, tissue procurer sheds light on babies born alive, with beating hearts. Obama also performed an immoral diary: The president proposed the elimination of every sexual risk avoidance program, while continuing every sex education program that normalizes teen sex. Many occult practices were also going on.

The spiritual/moral status of the united states before Donald Trump was appointed head of the nation is described in detail in Ezekiel 22:

Yechezkel - Ezekiel - Chapter 22:

²⁵ There is a conspiracy of her prophets in her midst; like a roaring lion, tearing prey; they devoured souls, riches and honor they take, they increase her widows in her midst.

²⁶ Her priests robbed My Torah and profaned My holy things; **they did not distinguish between holy and profane, neither did they let them know [the difference] between unclean and clean**, and they hid their eyes from My Sabbaths, and I was profaned in their midst.

²⁷ Her princes (people in power) in her midst are like wolves tearing prey, to shed blood, to destroy souls, for the sake of dishonest gain.

²⁸ And her prophets plastered for them with daub, prophesy futility, and divine for them falsehoods. They say, 'So said the Lord God,' but the Lord did not speak.

²⁹ **The people of the land have practiced oppression and committed robbery**; they wronged the poor and the needy, and oppressed the stranger for lack of judgment.

It was high time that this moral downward spiral was stopped and that the way to Christian norms and values was found again. That the nation was brought back to God. So God searched and found a man after his heart Donald Trump!

Yechezkel - Ezekiel - Chapter 22:

³⁰ And I sought of them a man **who puts up a wall and stands in the breach before Me**, for the sake of the land that it not be destroyed, but I did not find.

³¹ And I poured out My fury upon them; with the fire of My wrath I destroyed them. I put their way on their head," said the Lord God.

This writing section shows a great resemblance with America. Despite the fact that America is not in a good spiritual state, God is a benevolent God, He postpones the judgment as long as possible. But if, despite all the warnings and signals, people keep turning away from Him and do not repent from their ungodly walk, then judgment will eventually take place.

About Signals Given by God: Think of the Shemitah Phenomenon, brought to the attention of a Messianic Rabbi Jonathan Cahn. A highlight was the 777 point drop in the stock market on the last day of the Shemitah year 2007-2008.

In the earlier days, God poured out His anger and the fire of His wrath upon the nation of Israel. No matter how God sought among men to find someone to stand in the proverbial breach of the wall. He found no one. And so He judged the nation of Israel with great sadness. And unfortunately it was not only judgment, but also the fire of His wrath was poured out on the nation of Israel. Fortunately that story doesn't hold true for the United States, what a wonderful thing it is then that God has found someone in the United States who can stand in the proverbial breach of the wall to lead the nation back to God's eternal values and to be a good and reliable ally of Israel again as a nation.

Fortunately, God is in control and He did not want to surrender America to the kingdom of darkness. He appointed a leader at the head of America whom He had elected. Who would fulfill His will. To lead the nation back to God's eternal imperishable values. And to renew and strengthen the alliance between Israel and the United States. The scripture Isaiah 46 in mine humble opinion also applies to Donald Trump & America:

Isaiah 46:

¹⁰ I make known the end from the beginning, from ancient times, what is still to come. I say, 'My purpose will stand, and I will do all that I please.'

¹¹ From the east I summon a bird of prey; **from a far-off land (America), a man (Donald Trump) to fulfill my purpose.** What I have said, that I will bring about; what I have planned, that I will do.

God has also set Donald Trump to be a blessing to the nation of Israel; recognizing Jerusalem as the undivided capital of Israel, recognizing the Golan Heights as the territory of Israel. And Actually relocating the U.S. Embassy from Tel Aviv to Jerusalem. These are just a few examples. But being a blessing of Israel will also return to Donald Trump, we can read about that in Genesis 12 in which God makes a promise to Abram to bless whom Abram blesses and that also applies to his offspring, the nation of Israel itself. In that respect I am convinced that God will reward Donald Trump for his obedience to Him to carry out His will and to appoint him again for four years as head of the United States of America.

Genesis 12:

¹ And the Lord said to Abram, "Go forth from your land and from your birthplace and from your father's house, to the land that I will show you.

² And I will make you into a great nation, and I will bless you, and I will aggrandize your name, and [you shall] be a blessing.

³ And I will bless those who bless you, and the one who curses you I will curse, and all the families of the earth shall be blessed in you."

The 16-year treasonous plan to destroy the United States of America:

the "democratic" party had set itself a plan of implementing a dark agenda in 16 years which would mean the end of America as we know it today.

This plan was brilliantly simple, it included a massive influx of immigrants who could soon acquire voting rights.

A start has already been made on giving voting rights at local level to illegal immigrants door de "democratische" party, below the headline of an relevant newsiteme published in *The Washington Times* on Friday, March 8, 2019:

House votes to support illegal immigrant voting in local elections

House Democrats voted Friday to defend localities that allow illegal immigrants to vote in their elections, turning back a GOP attempt to discourage the practice...

With the goal that the "democratic" party could secure power in the future. This was because once immigrants had acquired the right to vote, it was highly likely that they would vote in large numbers for the democratic party.

In fact, the United States of America would then be at the mercy of the "democratic" party and the sinister plans of the global elite behind the scenes. It was therefore one of Donald Trump's highest priorities to strengthen and expand the wall between Mexico and the United States as soon as possible, as well as to intensify border controls. This met with great resistance from the democratic "party" and every effort was made not to free up a budget for the strengthening of the wall between Mexico and the United States. Because by curbing the massive influx of immigrants, the core of the "democratic" party's plan was touched. When, after much effort and judicial procedures, Donald Trump released enough budget to strengthen and expand the wall, the "democratic" camp reacted sourly that Donald Trump had broken his election promise because Mexico would have to pay for the wall.

On Monday, January 22, 2018 the newswars.com site posted a very disturbing news item that the "democratic" camp had set itself the goal of implementing a dark agenda in 16 years which would mean the end of America as we know it today.

*** below a quote of the article ***

"WASHINGTON, D.C. – In an explosive post on Sunday, QAnon explained the Barack Obama/Hillary Clinton 16-year treasonous plan to use two White House terms for a coup d'état in the United States that would end up revising the Constitution, cancelling the Second Amendment, and opening borders to flood the nation with illegal immigrants calculated to vote Democrat for the foreseeable future.

Obama, Clintons, DNC, and the U.S. intelligence community planned their coup d'état boldly, confident Hillary Clinton would be elected president, never imagining Donald Trump would win.

As part of the plan, the Democratic Party co-conspirators envisioned Hillary would follow Obama's plan to put rogue political operatives at key positions throughout the federal government, just as President Obama placed John Brennan at CIA; James Clapper, Director of National Intelligence ; Eric Holder and Loretta Lynch as Attorney General; Valerie Jarrett in White House, James Comey at FBI – and the list goes on.

Hillary would continue Obama's plan to weaken the U.S. military, while actively funding Iran and North Korea's development of nuclear weapons..."

These stories are often dismissed as conspiracy theories in the world helped by the extreme right wing.

But is that so? Now let's zoom in and give an anthology of what Obama did during his 8 years as president of the United States:

The anti-Christian Obama-administration

God does nothing for nothing, I am convinced that one of the reasons Obama was appointed president of the United States of America was to awaken the Christian community to the fact that the freedoms and privileges given by God should not be considered an established fact. But more as something to be fought for in order to preserve it. That Christian freedoms can be robbed by the enemy if we, as a Christian community, do not continue to strive to stand out from the world.

As the American Christian community was confronted with the breakdown of Christian norms and values during the Obama administration, part of it woke up. After the awareness that there was a lot on the stake the fight was started with dark powers in the heavenly regions. A movement of saints arose among the Christian community who were outraged at the darkness that gripped America and wanted to restore God's authority and His eternal ordinances over the United States of America. And God answered their prayer by appointing a man He had chosen as head of the United States, Donald Trump, to restore the Christian values that had been damaged and eroded under the Obama administration. It goes too far within the scope of this book to elaborate on how damaging the Obama administration was to the Christian community. I will just give a brief summary of some of the low points...
