My fifty written chapters for you

Chapter 1

The nights that I haven't spent with you felt like a torture,

The thoughts of you spending them now with someone else became poison to my heart.

But here I am, hoping that when you spend those nights with someone else,

You'd remember my scent.

Chapter 2

I've buried the memories of you somewhere deep,
I've forgotten all the words you told me.
I've buried our hope under the lies you told me,
I've forgotten about how sweet they sounded in my ears.

Chapter 3

I remembered how we fell in love while being drunk,
Then I remembered how you abandoned me while being
sober.

I remembered how much you loved me in the beginning,
But then I remembered every word you said was a lie.
