Preface

Who is Pastor Nissi?

Pastor Nissi Vanenburg is a woman with passion. She herself says: "Prayer, praise and worship, are my first passion, and all other things come next."

I personally met Pastor Nissi during a fashion show in a church in Rotterdam. It was an annual happening. She is a very sweet lady with a soft heart. But at the first instance I thought "She looks stern and serious". But she tells you how it is out of love. Pastor Nissi and her husband Pastor Robert, have a sincere heart. You can't find anything unjust with them. They are real shepherds and have helped and sheltered many people over the years.

I always had the feeling that I could go to her with anything. Sometimes I even think she spoils me. Pastor Nissi has gone through a lot together with her husband. With them, life is always and always an adventure. They go to the utmost! And when you think "never mind this is not going to work" they are always ready to encourage you to go forward! Thanks to Pastor Nissi, I learned new dimensions of faith. I had a feeling that she, thanks to her belief, had an answer to everything. I asked her once "how come you never gave up on me?" Her answer always was "Would a mother ever give up on her children?"

With tears in my heart, I am writing this down. Pastor Nissi is a fighter and a go-getter! Despite a heart attack, she continued her ministry the next day! She talks to God every day and in everything she engages God. She has teach me how to PUSH (Pray Until Something Happens) and to have this attitude, no matter what. Together with Pastor Robert they stood in front of fires, but always as a team. Their marriage and love for each other are an example for me and many others. They show their love to each other and their children. always with a loving smile on their faces full of trust in God.

She is one of a kind!

I love you,

Desiree Calmero-America

Introduction

I dedicate this book to everyone who has or wants the ability to read with understanding, and real transparency and surrender to the Spirit of God. And this is a personal choice you should make.

a. Those who have a deep desire in their hearts to build a relationship and intimacy with God, with the purpose of obeying Him and serving Him with awe and thus knowing God in all their ways. Reading this book, they will discover how you can build the certainty that surely God will hear your prayer and become a listener to you, and He will answer every prayer. He promised in His Word, through prayer, according to the biblical principles, norms, values, standards, and divine purposes. He watches over His word to accomplish it. That He is God and does not let an intercessor stand, and above all HE MAKES NO MISTAKES, and He is not A GOD who can lie.

b. To those who want a new lifestyle successfully in their prayers.

c. To those who are struggling with prayer or frustrated by (wrong) teachings of leaders, intercessors, and do not achieve results, despite their long prayers and fasting.

d. Those that need mental, physical, and spiritual healing and deliverance, and do not know how to approach God in prayer.

e. Those who desire to be born again, and to live in holiness and serve God as a new creation, through forgiveness, by rejection of wrong things, which they have done toward God, to others and to themselves.

f. This book contains a valuable legacy of self-cleansing, sanctification, intimacy, and presence of God through prayers, in real life, working toward eternal life. It contains prayers that when you read them aloud, your heart, your soul and your mind will become familiar with the powerful presence of God's Spirit. It will lead you in the presence of God and you will experience that you are going to grow in a personal relationship and intimacy with the Spirit of God that you have never known before. As a result, you will automatically experience new words in your mind (THE HOLY SPIRIT TEACHES YOU THEN HOW TO PRAY) through this you will notice that new patterns of thought will arise in you.

You will assume new human behavior, because of your personal encounter with God. You don't want to lose this experience. This will lead you to a new level with God and improve the quality of your life both in the natural life as well in the spiritual. New episodes will break true into your life and begin to accomplish around you.

It all starts from inside to outside,

Pastor Nissi
