## **Angel heart**

Come and pick up your broken wings  
for the stars call out your name  
and they want your inner angel heart  
to reach for the sky again  
'cause the galaxy right in your soul  
is *longing* for the only place it ever knew  
then when you choose to rise and fly  
I *promise* you it's worth the view.

## **Dream**

You must dream a little louder  
know silence can't be perceived  
and you can choose to chase them  
if only you *believed*  
they can be your reality  
and not just a wild, fantasized thought  
yet, sometimes you have to dream on  
*'cause it's all that you've got.*
