AMERICAN LIFESTYLE

Dear Bill and Judy,

My name is Kenneth D. Bolden, an American Poetry Writer from Oklahoma,

I wanted to take the opportunity to connect and share this terrific magazine as a thank you for your continued support of my writing career.

American Lifestyle is a celebration of the flavor and flair of life in the United States, and takes the reader on a journey of the nation's sights, sounds, smells, and tastes. This publication features articles on interior design, travel, technology, restaurants, and culture. Entertaining writing coupled with gorgeous photography makes this magazine a must read.

I hope you will enjoy receiving this magazine periodically and that you will allow me to continue to provide great service to you in the future. Please feel free to share this issue with friends and colleagues. I would love to hear what they think of the magazine too.

Thank you again for always keeping me in mind.
