

Discover the letters of the Alphabet together with 26 different animals from all over the world. Fly along with Mimi the bird and say hi to each and everyone of them.

With every letter Mimi will be with you. Only sometimes you'll have to look a bit harder to find her.

Each animal will also have a cute little rhyme for you starting with the letter of the Alphabet you're discovering.

Enjoy the journey!

All the snowflakes in the sky,
Some are loud, the others shy.
Every single flake of snow,
Is unique in her own way and flow.

A - Alpaca

"Be brave," she said.

"One day,
You will need to go your own way."

B - Bear

Close your eyes,
Please don't be shy.
Now make a wish,
Give it a try.
