“6 Billion 919 million 377 thousand of us live on this tiny planet and only a few of us can see the connections. The patterns, mathematical in design, are hidden in plain sight, you just have to know where to look”

— Touch (TV Series) —

Als We het niet over de waarheid gaan
hebben zal er een hoge prijs moeten worden
betaald

**And the ones who protect life will be chosen
to live with the Father in Heaven to have the
most beautiful lives**

And the Word was God. And the Word was
Good

Dat deze Aarde verdwaald is staat vast
Dat het recht gezet gaat worden dat ook
Maar hoe ligt mede aan onze eigen acties en
keuzes

Mijn boeken bereiden u voor op alle
mogelijke scenario's

Op alle mogelijke uitkomsten

“Love is the most powerful force in the universe. When you love yourself, you can love others. When you love others, you can change the world”

— Don Miguel Ruiz —

"Dreamers
They never learn
They never learn

Beyond the point
Of no return
Of no return

Then it's too late
The damage is done
The damage is done

This goes
Beyond me
Beyond you"

—Radiohead (Daydreaming) —

En ondertussen kopen velen nog gemartelde
dieren bij de supermarkt. Wat een zieke
wereld hebben We met zijn allen gecreëerd

Kankerwereld

**Evil Elites of This World, Your Time is Up>
Follow the Black Sun to find the Home you
Desire**

**Lose your fear and fall in a black hole to the
Black Sun**

It is time

**First comes The Great Death then comes The
Great Life**

**“Freedom is never given voluntarily by the
oppressor; it must be demanded by the
oppressed”**

— Martin Luther King —

Guide me, protect me or reject me

I am speaking on behalf of the Creator

The Creator of this Universe

Listen carefully what i have to say

I am the reminder of what We once knew

I think i have found a way home and this last
job, that's how We get there

I will carry the name of the one Creator with
me. Eyowa is a divine intelligence that serves
life and is life itself

**"In Paradise, everyone speaks the truth. That
is what makes it Paradise. Tell the truth. Or,
at least, don't lie"**

— Jordan B. Peterson —

In this book We is with a capital. An emphasis
that in essence there is only We, there is only
Us. The All encompassing All

Let this be a reminder for that

And let Us give us less attention to the ego by
putting the I into i

A reminder that We are not separate from
Creation

Creation is Us and We are Creation

In essence there is no separation

We are the All and All that exists

To bring Harmony and Peace to All that exists

That's the mission

**Is anyone ever going to tell the truth? About
what's happening here?**

Love and be loved

Love should be the currency, not money or
gold

Many thanks to Peter Kriek for all the help in
my personal development and the special
journey i have experienced with you

All the words, all the knowledge, all the
insights are connected to your soul. There is a
special place in my heart for someone like
you
