OF ANGEL TO MAN**

2022

DAY ONE

Yes-yes! I exist.

I'm here, no matter what you think about Me.

Or you have not even thought about Me.

I am in your life, in your thoughts, in your dreams.

I'm not always there. I like it when you are cheerful and funny.

At such moments I come from a call to call.

I do love to laugh. Moreover, I'm with you when
you make discoveries and do what you love.

You are so excited about this! Sometimes
even more than you can imagine.

This is My Job.

This is because of Me standing next to
you and admiring your excitement.

I really like you then. Assess your condition.

Is there much joy now? What about excitement?

What about lightness? Can you evaluate this?

This is exactly how I'm present in your life.

This is exactly how you've opened
the doors of your soul to Me.

If you are in sorrow, grief, tears, and
anguish, you are inaccessible to Me.

You are closed.

So, correct yourself by running
and giving me access to you.

We have a lot of work.

DAY TWO

I love animals so much!

If only you know about this.

You watch videos with animals, you pet them,
you take care of them - I'm excited about this.

I laughed so hard tonight when it revealed
to me through you how animals are
tender and important in your life.

If you are ready to realize this then
watch yourself how they gently take care
of their offspring, how they are happy to be parents,
how they can sit for hours and watch the beauty
around, how calm and constant they are, how they sing.

Open your heart to them and you'll be
surprised how it will change your life.

How much of Me you'll have in your life.

Because I love animals so much.

Love them too, like I do.
