"Al-Masih: Catchers in the rye...

Eva: What was that?

Al-Masih We're both catchers in the rye... You
and me...

Trying to stop the children from falling..."
— Messiah (Netflix) —

De Vader is te groot en te allesomvattend om
zichzelf te presenteren aan de wereld

Daarom stuurt hij zijn zoon: Eyowa

Hij was hier 2000 jaar geleden

Hij is hier nu weer

De Heilige Volmaakte Zoon

Luister Goed Naar Hem

Hij is het Woord van God

Wie hem omarmt en het werk doet wat wordt
verlangd zal meereizen naar het Paradijs en
de Hemel

Wie hem afwijst en verwerpt zal de eeuwige
verdoemenis in gaan om te leven met alle
andere duivels in de hel

Dit is uw laatste kans

De Schepper van de Kosmos komt nu als
laatste poging hier op Aarde in de vorm van
Eyowa om uw ziel te redden

Wie niet luistert naar Eyowa en niet gered wil
worden zal naar de Hel vallen

!!!U BENT GEWAARSCHUWD!!!

"Don't think sorry's easily said
Don't try turning tables instead
You've taken lots of chances before
But I ain't gonna give anymore, don't ask me
That's how it goes
Cause part of me knows what you're thinkin'

Don't say words you're gonna regret
Don't let fire rush to your head
I've heard the accusation before
And I ain't gotta take any more, believe me
The sun in your eyes
Made some of the lies worth believing

I am the eye in the sky
Looking at you, I can read your mind
I am the maker of rules
Dealing with fools, I can cheat you blind
And I don't need to see any more to know that
I can read your mind (looking at you) x3
I can read your mind

Don't leave false illusions behind
Don't cry, I ain't changing my mind
So find another fool like before
Cause I ain't gonna live anymore believing
Some of the lies while all of the sides are deceiving
I am the eye in the sky
Looking at you, I can read your mind
I am the maker of rules
Dealing with fools, I can cheat you blind
And I don't need to see any more to know that
I can read your mind (looking at you) x3
I can read your mind"
— Alan Parsons Project (Eye In The Sky) —

"Eva: What's a misconception that some people may have about you?

Interviewee: That I'm judgemental

Eva: So, you're not?

Interviewee: Not really. I accept all kinds of people

Eva: Would you accept a criminal?

Interviewee: If he'd served his time and was remorseful"

— Messiah (Netflix) —

"Interviewee: The Truth has many different versions, so it's hard to say

Eva: The Truth has many different versions?

Interviewee: The Truth is pretty grey..

Eva: I'm gonna stop the interview there. I know i shouldn't be telling you this, but i won't be recommending you

Interviewee: Why not?

Eva: The CIA is like a Holy Order. It's a doctrine that you live by. People's lives depend on the decisions that we make, the actions that we take. When you are in the trenches you need to know who your enemies are. The Truth may look grey but i assure you it's not"

— Messiah (Netflix) —

Laten We in Liefde, Licht en Waarheid leven

Laten We het Paradijs scheppen op Aarde
Laten We kiezen voor het Hart van Christus:
Het Christusbewustzijn
Laten We weer Engelen worden op Aarde

Let Love Conquer All

**Let's keep our sanity by following the Way,
the Life and the Truth**

By Becoming Dharma

"Love.. It is a word.. What matters is the
connection the word implies..

I see that you are in Love.. Can you tell me
what you would give to hold on to that
connection?

Neo: Anything"
— The Matrix Revolutions (2003) —

“Northern lights in our skies
Plants that grow and open your mind
Things that swim with a neon glow
How we all got here, nobody knows

These are real things
These are real things

Oh, what a world, don't wanna leave
All kinds of magic all around us, it's hard to
believe

Thank God it's not too good to be true
Oh, what a world, and then there is you

Did I know you once in another life?
Are we here just once or a billion times?
Well, I wish I knew, but it doesn't matter
'Cause you're here right now, and I know what I
feel

And these are real things
Yeah, these are real things

Oh, what a world, don't wanna leave
All kinds of magic all around us, it's hard to
believe

Thank God it's not too good to be true
Oh, what a world, and then there is you

— Kacey Musgraves (Oh, What A World) —

"Morpheus: I imagine that right now, you're feeling a bit like Alice. Tumbling down the rabbit hole? Hm?

Neo: You could say that

Morpheus: I can see it in your eyes. You have the look of a man who accepts what he sees because he is expecting to wake up. Ironically, this is not far from the truth. Do you believe in fate, Neo?

Neo: No

Morpheus: Why not?

Neo: Because I don't like the idea that I'm not in control of my life

Morpheus: I know 'exactly' what you mean. Let me tell you why you're here. You're here because you know something. What you know you can't explain, but you feel it. You've felt it your entire life, that there's something wrong with the world. You don't know what it is, but it's there, like a splinter in your mind, driving you mad. It is this feeling that has brought you to me. Do you know what I'm talking about?

Neo: The Matrix

Morpheus: Do you want to know what it is?

Neo: Yes

Morpheus: The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth

Neo: What truth?

Morpheus: That you are a slave, Neo. Like everyone else you were born into bondage. Born into a prison that you cannot smell or taste or touch. A prison for your mind

Unfortunately, no one can be told what the Matrix is. You have to see it for yourself

This is your last chance. After this, there is no turning back. You take the blue pill – the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill – you stay in Wonderland, and I show you how deep the rabbit hole goes.

Remember, all I'm offering is the truth – nothing more"
— The Matrix (1999) —

"Mr. Masih, what religion are you?"

Al-Masih: I walk with all men"
— Messiah (Netflix) —
